London.—The wounded Serbian press a cigarette to an anesthetic, and the most painful operations are performed in the Balkan field hospitals with nothing else to relieve the pain a "butt."

During one of the halts, in a battle said, she spoke to a poor Yellow whose lips were blue, eyes dim and bath coming in short, painful gasps. Most sobb. "Although the words almost killed him he managed to gasp,

Memphis, Tenn.—A grand jury report submitted in circuit court here recommends, among other things, that county prisoners be given as good quarters and kept as cleanly as the birds and animals and monkeys at Overton park zoo.

And his Master kindly. "Next time you must obey me." And as he drew out the quills from Towser's shaggy fur, Towser's eyes told his Master he would never disobey again.

"And when the Porcupine Children returned home they told their Mothers and Daddies the two important lessons they had learned that day: one that
