The diagram and plot for the new school site on the J. J. Levy farm, which is being prepared by Mr. Howarth, of Royal Oak, is nearly completed. In this, the district is to be congratulated for having secured so desirable a site as well as beautiful location.

Foley's Honey and Tar

THIS ad is directed at the man who has all the business in his line in this community.

Q Mr. Merchant—You say you've got it all. You're selling them all they'll buy, anyhow. But at the same time you would like more business.

Q Make this community buy more.

Q Advertise strongly, consistently, judiciously.

Q Suppose you can buy a lot of washtubs cheap; advertise a big washtub sale in this paper. Put in an inviting picture of a washtub where people can see it the minute they look at your ad. Talk strong on washtubs. And you'll find every woman in this vicinity who has been getting along with a rickety washtub for years and years will buy a new one from you.

Q That's creative business power.
