MONROE DOCTRINE FOR ALL

Insists that the Struggle Must Be Ended on Terms Which Will Embody Terms Able to Win Approval of Mankind.

Washington, Jan. 23.—An appeal that the United States outline the principles of a league of nations to make it into a policy over any other league to be the second step in his effort to end the European war. In an address to the United States, he urged the power to handle the international affairs of the nation, the president outlined what in his opinion is necessary approval of mankind, not merely a pact that will serve the several interests and implicate all of the nations.
