### Sour Stomach Makes a Sour Man

This is the day of the optimist. The 'don't worry' man' is a genial, smiling chap who looks forward to a bright, future of health and happiness—and wealth, too, of course.

The pessimist is scorned. He is blamed for a surly and gloomy disposition and receives no sympathy for his morbid forebodings.

It isn't altogether right. Many a man gets the reputation for having a sour disposition, when the truth of the matter is that he has a sour stomach.
