### Catarhal Deafness Cannot Be Cured

Dr. J. J. Cheney is the only doctor who can cure catarhal deafness. He has a special method of treating the disease of the ear. There is only one way to cure catarhal deafness and that is by a constitutional remedy. Catarhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this is inflamed it gives a running sound and a ringing sound in the ear. It is only by a constitutional remedy that this inflammation can be reduced and this tubular condition can be removed. This tubular condition is caused by catarrhal deafness. It is a condition of the mucous surface which allows catarrhal deafness to enter the blood on the mucous surface of the ear.

We will give one Hundred Dollars for any case of catarhal deafness that can be cured by Hall's Catarrhal Medicine. Write for free literature.

### OBITUARY.

The funeral service for Mrs. Ann J. Bell was held from her residence at Clawson on July 7, 1917 and was attended by a great number of friends and relatives. Rev. David H. Curry, her pastor, brought a message to the bereaved ones on the subject "Griefs call to us in the hour of sorrow." The interment was in the cemetery, about a mile south of her late home. A brief sketch of her life follows:

Ann J. Bell, daughter of John and Jane McElrath, was born near Brantford, Canada, March 12, 1843, and came to Michigan with her parents and located on a farm near Royal Oak when she was 17 years of age.

In 1862 she was married to John Bell and to this union eight children were born, of whom six survive.

She became a member of the United P. ebyterian Church early in life and was a faithful handmaiden of God till the day of her death. On the last Sabbath of her life here, she was present at church services and was planning her Sabbath School teacher for the further upbuilding of her class. She was a devoted mother, a kind and loving wife, a faithful friend and thoughtful neighbor. She entered into rest very suddenly on July 4, 1917, in her home at Clawson, aged 74 years, 3 months, 19 days.

"There remaineth, therefore a rest to the people of God."
