EIGHTH EPISODE

Red Night.

THE SPIRIT OF HER PROGENI

TORS.

Since early morning an unwonted, unnatural and wholly specious semblance of tranquillity had brooded over the little valley in the heart of the New Jersey hills.

Now, as the earlier hours of midsummer afternoon drew on, a feeling

Now, as the earlier hours of mid-summer aftergoon drew on, a feeling of-tension began to inform the atmos-phere; the hush began perceptibly to oppress which fortedis the breaking of a thunderstorm upon a smiling land; instinctively and communicated with one another in accents needlessly rearried.

now," Donald replied, glancing at his watch.

"And I have our hands full."

"And Chave our hands full."

"And Chave our hands full."

"And Chave our hands full."

"Wiss Channing ."

"Yes, Mr. Bertram The one last effort "Permit are to There's bound to be serious trouble as soon as the strike heads of till nightfull, with the men we have—perhaps. Affer dark almost anything may happen. That attempt to how as up this morning. In broad one have only the worst to fear."

"And so you want my permission to telegraph the governor to call out the militar?

"Such is my earnest advice. Miss Channing."

The girl shook her head with determity open the control of the cont

channing."
The girl shook her head with determination.
"I won't permit that. It's wrong. It means—in one word—war. It means—the word was a subject of the word of

Without warning, the hum of the mob in Fowder Town rose to a high discordance, a clamor of anary yells. Not one of those about the gates but was startled, though all had been momentarily anticipating something of the startled and the startled startled and the startled startled and the startled startled and the startled of another with a stood between Powder Town and the Channings' mills appeared a motorear nonneed. "Now for the music:"

Over the crest of a little hill that stood between Powder Town and the Channings' mills appeared a motorear nunning at hish speed—a can conded to the limit of its capacity with strike breakers and carrying princip running at hish speed—a carrying tracel running at hish speed—a for gate and the startled of the strikers and the startled of the strikers and the startled of the strikers appeared in populate of the strikers appeared in private—a dispense of the strikers appeared in private—a time of the strikers appeared in private—a time the strikers appeared in private—a time the strikers appeared in private—a time of th

disposed of for the time being, had turned their attention to stationing the squards on the low platform that ran around the inside of the fence—a platform but high enough to permit a man to see and, if need be, alm and fire over the barrier.

Re-enforced by the strike breakers, the guards made quite a respectable company of defenders, but still insignificant in numbers as compared with company of defenders, but still insignificant in numbers as compared with the strikers of a considerable number of men armed with modern magazine rifles. Donald greeted the sight of these last with a groan.

"Huroki's hand "he commented between his teeth. "It keeve he'd show it before long. The milon never sup-

love for the girl.
"You promised—" he all hand tugged at his sleeve-

Please come in to the telephone—set the governor on long distance—tell him we must have the militia."

With a nod of relief Donald jumped down from the platform, and with Patrix at the side ran across the yard toward the office of the superinteedman of the platform, and the platform, the platform of the mob is eddeavor, to frighten it off.
Selaing the received of the heads of the mob is eddeavor, to frighten it off.
Selaing the received of the finatrument on the deak nearest the office of the platform of the deak nearest the office of the platform of the platform, and the platform of the platform. The wrone of the guards platform, and the platform of the platform. The platform of the platform of the platform of the platform. Platform of the platform of the platform of the platform. The weapon was at his shoulder and his perfect of the platform of the platform. The weapon was at his also platform of the platform. The weapon was at his also platform of the platform. The weapon was at his also platform of the platform. The weapon was at his also platform of the platform. The weapon was at his also platform of a sudden full in the uproor, a lail in which Patria's voice sounded high and true:

"Cease fring.' All of you—cease firing.' I say!"

With a gasp of horror, Parr saw the siri running out into the open space between the feare and the advancing the platform of the platfor

undivided and respectful attention was accorded her.

"I want avery, man of you to agree to train himself at my expense for military service in the defense of the United States. Channings will meet very bill, for your time and for everything else. If you, defend your homes every bill, for your time and for everything else. If you, defend your homes against foreign agression. Do you agree!

Spontaneously a cheer answered her. And cheer after-crashing cheer followed. It was some minutes before she was she to continue. In that interval her quick eyes, servings the contract of the contra

With a jasp of horror, Parr saw'the gir running rou into the open space between the fence and the advancing rabble, shi understood that she had capation within the yard to open a small gate and take this foolbardy risk.

The assonishment with which both parties greeted her appearance brought about a douplete cessation of hostilization of the control of the control

them with adorable course, her head high, a brave color faming in her heeks.

In the dead silence which ensued her accepts rang clear:

T beg you all to listen to me till I have finished. I am Patria Channing.

THE \$7,000,000 EARTHQUAKE.

"The \$7000,000 EARTHQUAKE."

The side of the propounded with their lives.

Instantly the girl replied in tones that carried distinctly to the farthest rank of strikers.

"If what you say is true, she matter shall be set right without a day's de-lay. And every reasonable demand you may make is granted—I, Partia Channing, give my word of honor to

undivided and respectful attention was accorded her.

"I want every man of you to agree the law of Patria Channing and Doi-turan himself at my expense for military service in the defense of the law."

"We can feel sure of only one thing United States. Channing will meet — hat hell strike and strike wriftly and unexpectedly. It's open war between you now—war to the knife. You've publicly denounced him. He must either disappear or find some way to silence you permanently. I wish I knew! Antiously, pacing the confines of the string room. Parr kneeded his hands to an abrupt pause. On the control of the c

that?"

He called impatiently. "Hello? Hello?" then liggling the hook, said, "Oh, he has?" ungraciously, and hung

Hellot" then Jiggiling the hook, said, "Oh, he has?" ungraciously, and hung up.

"Oh, he has?" ungraciously, and hung up.

"It a present to my folder perhaps," he informed Patria, "I don't know, it's a queer business. Wheever called up said all in a breath; "I'm a friend-never mind my name, Tell Miss Channing to be on her guard against trouble tonight at the Channing docks near Bayonne. Huroki means mischief—it Then he stopped short, with a sort of surgic, as if somebody had chapped a bung, as if a receiver at the other end had fallen on something hard. And then Central reported, The party has hung up. What the deuce!"

Patris was on her feet. "The Bayonne docks!" she repeated thought-religit,

blandly. "And-Germany will be

blandly. "And—Germany will be blanded!"

Five minutes later Patris laid her power boat alongside a schooner that ley mored to the northermness of the proper boat alongside a schooner that for more the schooner's side and made fast the patiete—to find, when he turned. Patria at his elbow, "You stay here, miss," he shouted, make himself heard above the din of the confagration. "I'll find Captain of the confagration. "I'll find Captain has beek to you the grangplandy to the dock, Patria was by his side. Bowing to her indominable course, fix made to mende to more protest, but hurriely on with her into the heart of this turned which yawned for them ashow.
