Knapp's, any way?

Whose idea do you suppose it was?

Well, now, seeing you are so interested, I'll tell you. Little Carrie suggested it to J. W. last Friday. We kepb it quiet and when we closed the store this morning Mr. Knapp called verybody together and told them exactly what we were going to do.

Eyarybody went clear to the depot with the boys. I know mighty well a way to the depot with the boys. I know mighty well away to have a look lat it. I have not walked as far in years and years. But if those have a look lat it. I have not walked as far in years and years. But if those of the service well as the service well
