PICTURE SONGS.

Voices stilled for many a year.
Little children round a fireside.
Hallowed scene of home and love:
In a mother's face reflected.
Radiance spot from heaven above.
Breathing on the tender heartstrings
Bacred memory o'er me creeps
Of a grave beneath the hillidde
Where a sweet-faced mother sleep
Autumn becens through the branch

REB CROSS BULLETON.

The following Supervisors of the workroom have been appointed for the month of November: Menday evening, Mrs. Harry Cole-man, Miss Elizabeth Floyd.

FORTIETH YEAR, NO. 28.

BIRMINGHAM, OAKLAND COUNTY, MICHIGAN, FRIDAY, NOVEMBER 9, 1917.

WHOLE NUMBER, 2055

CHOOSE THE NAVY

Here is a Chance for any Able-bod led Young Man to Better Himself. Join the Navy at Once.

Our Navy needs 20,000 men to bring it up to the authorized war strength. Michigan must come across with her share of men now. It is her duty and her privilege. The Navy Department, the government and the 6,000 Michigan her privilege. In Navy Joseph Charles per privilege in the government and the 5,000 Michigan men now serving is our navy, look Michigan to furnish more men. The Navy is appealing to these young men not only from a particular yelevaborh but from a common sense-viseyboint. It is offering the best pay of any branch of the military service. It is offering quick action that any red-blooded young man certainly longs for. It is offering physical and mental trapiang that will make real men out of the beyong fellows who go to the front now. One of the branches of the naval service in which exceptional opportunity is now offered in the wireless talegraphy. Young men without a bit of experience

Menday evening, Mrs. Harry Coleman with means are called only in time of war and may resign any time during peace.

When these young men get through their course in the radio schools which are being collected and may resign any peace.

When these young men get through their course in the radio schools which are being collected at Great Lakes, Ill. Harry Coleman and training also that they recel, free of the fit is young to the men to advance time and the peace and the peace

with mechanical education and training are now wanted for the Aviation Corps, both in the regular service and the Re-serve force.

Hospital apprentices are needed.
Firemen are needed. In fact there are many openings, and in these ratings there exceptional opportunities offered for advancement at this time.

Grandmothers and mothers who have aised families of children have learned to title of Poley's Honey and Tar in the compart of the Compart of

People going out West Maple should go a mile south or take Oak Street with through the Quarton Lakes Sub, as the bridge has been torn out preparatory to building a cement bridge 20ft. wide, as beginning for the stone road to be built westerly seven miles from Birmigham, by the County Road Commissioners. There is small hope of this bridge being in service very soon is one asked him if he was not fabridge being in service very soon. Well Answered.

He is a very small boy, just beyond the limits of bubyhood. The other day some one asked him if he was not fa some one asked him if he was not fa re you mother's boy too?" "Yes." "And are you mother's boy too?" "Yes." "Subject Charles" bey and mother's boy at the sattlement "Oh." "rejlied Charles" be yet one will be asked to the sattlement "Oh." "rejlied Charles" was not be sattlement.

mingiani, by the County Robal Com-missioners. There is small hope of this bridge being in service very soon. For nearly three years D. E. Wilkin-son has filled the position of Superial-tendant of Public Utilities in Birming-ham. He has hired all the labor, sup-ervised all work, purchased all supolies in a sitefactory manner. Mr. Wilkin-son has done what few village Man-agers would have been able to do. Miles of water mains, sanitary sewers and water drains have been falled to to the sanitary sewers and water drains have been falled to to the sanitary sewers and water drains have been falled to trivial to the sanitary sewers and water drains have been falled to practical plumber and rewer construct-or he has inspected all private plumber awers, cesspools, and septic tanks. Mr. Wilkinson has completed the sem-mers work, and has resigned to spiend Sunday Traveling.
Old time acts of parliament in Grea Old time acts of parliament in Great Britain aimed to stop Sunday traveling. In 1699, for example, two men were found gulity of the crime of walking from Britstol to Bath on a Sunday and were at once fined 20 shillings (81-80) cach. All business was at a standstill on a Spinday. Nothing was allowed to be sold except milk, Of all the trad-ers of England the milkman, and the milkman alone, was allowed to pursue his calling for the whole seven days of

Mr. Wilkinson has completed the sim-mers work, and has resigned to spend the winter in Florida.

The coal situation in Birmingham is being looked after sharply. We have made no junkets at public expense, we have recarded more coal than other towns. Our dealers are live wires. We have small quantities in our cellars but nobody has suffered yet. The sick, the babies and the old poople must be cared for, as a last resort apply to the village presidest. People-gishon can should shut up all space, possible and burn less fuel for the good of all. the week.

Victorious But Conquered.

Victorious But Conquered.

Victorious are often purchased at great cost. Sometimes the victory becomes a defeat. What tickles the national fancy may drive men to extreme but the extremes of the extreme of the contract of the midst of the celebrations of victory the evolupes of power may begin. No nation is so dangerously near calentity as it is in the moment of its criumphs. Then it is that shie bars of restraint are lowered and follies caper in the guise of feetive heralds of greatness. One can't rise and by rising tamper with principles. No man and the contract of the contrac LUTBERAN CHURCH

An Ancient Superstition.

In throwing a piece of chalk after his men for luck as they charged the enemy an Irish colonel was but reviving a superstition which dates back to the ancient days of Thrace, where the custom originated of marking lucky any with a white stone and unlucky with a black one. In its early youth Rome adopted the custom, and, ai though chalk, not being indigenous was chiefly known, as its name. Creta implies, as an import from Crete, by was generally used for the marking of lucky days. According to Horace, 'the unarking was done with chalk, for good and coal for bad luck.—London Chron load.

The Food Commission

At Washington, D. C.,

Rules--

That early purchases of food-stuffs now just arriving must be sold on the basis of a normal profit on purchase price. NOT on the much higher market price prevailing today.

In this time of National peril WE cheerfully comply with this ruling, and until our low-priced supplies are exhausted will make very attractive prices to the purchaser by the dozen or by the case.

Our lines of Vegetables are very complete. Fish, Meats, Fruit, Olives, Preserves, Jellies, Jams--in glass or tin. SEE Mr. T. W. Miner for quantity prices, which are lower than we can replace them for today.
