

Program of Music and Drama at the Chautauqua

Music and drama of worth will be presented by the Paramount Entertainers on the fourth day of the Chautauqua in a decidedly unique and highly successful program. There are three people in the organization and their program is highly varied.

Dorothea W. Saxe, reader and accompanist, is a young woman of very attractive personality, with which is coupled a striking ability as an interpretative reader. She has studied play coaching under Mrs. France, formerly associated with Edwin Booth, and has had stage experience with Eastern companies.

Minard Lozier, dramatic tenor, possesses an excellent singing voice and has studied extensively with such teachers as Van Valkenburg, Melhan, Savage and Arens. He is well known in New York as a church soloist.

Norman Basson, violinist, has been appearing in public recitals since she was ten years of age. Her playing has a charm and sympathy that reaches the heart, and this personal note, combined with her free, masterful technique, makes her work most effective.

In addition to the musical numbers and readings one or more dramatic sketches will be given, making their diversified program of music and entertainment one of real artistic value.

RACING HORSES AT STATE FAIR TO BE QUALITY

SPEEDSTERS FROM ONTARIO, INDIANA AND ILLINOIS WILL COMPETE THE 1918 EVENTS.

UNIFORM PURSES OF \$500

Rivalry Among Three-Year-Olds Intensified Through Futurity Promoted by Michigan Horse Breeders' Association.

Since the first Michigan State Fair in Detroit the trotters and pacers have been assigned prominent parts in the scheme for the entertainment of citizens. There are men who will tell of the sport when state fairs were held south of the Grand Boulevard in sections where now are residential centers. Several cities have had the honor of being the home of the state fair and always the management has included horse racing among the sports that filled the grand stand.

When the present grounds were laid out a mile track was constructed, and from the very first it became popular. For years racing was confined to its velvet surface and, upon the abandonment of the famous Grosse Pointe oval, the grand circuit staged its annual visit on this track. Some years there were two of these trips to Detroit, of the equine kings and queens, but upon the construction of the half mile track inside of the larger ring (G. W. Dickinson, secretary of the Michigan Trotting Horse Breeders' Association, decided to feature the lesser lights of futurity at the State Fairs.

Fair goes generally like the half-mile track performances better than they do contests on the mile ring. In the instance of Detroit this has been made plain by the monster throngs in the grand stand which prompted the management to put on a program unexcelled among fairs. This arrangement releases the honest stretch of the mile track and permits of the running of a horse show, in other words staging a continuous performance and introducing types which include great speed at the trot and pace, most ability in clearing the bars of the hurdles and finest appearance when on parade before the critical eyes of the judges.

The race program this year is one of quality. It will bring to the State Fair, Detroit, August 26-September 8, not only the horses that have been battling for purse money on the tracks of the Short Ship Circuit cities, but a number from the Ohio circuit, from Ontario, Indiana, Illinois, and more distant states.

Uniform purses of \$500 are provided for all of the regular classes, entries to which close on August 20, and there is a feature in the racing of the two divisions of the Futurity promoted by the Michigan Trotting Horse Breeders' Association. This event is for three-year-olds and there is great rivalry among the breeders of the state, for victory in either division is the realization of fond hopes which have followed the colt since the days when he first opened his eyes.

"IT HAS COME TO PASS."

Eloquent Utterance of Foremost Jewish Orator in America Over the Great Prospect for Establishment of Jewish State in Palestine Made Possible by British Declaration and Endorsement of Allies.

Dr. Stephen S. Wise, Rabbi of the Free Synagogue, New York City, one of the great orators of America, a familiar figure on the Chautauqua and a familiar platform, champion of every progressive movement, enthusiastic supporter of President Wilson as Chairman of the Provisional Zionist Committee.

It has come to pass—the day long wished for in all its momentous and far-reaching consequences to Israel and the world. The British government, true to a policy of two hundred years of sympathy with an old friendship for the Jew, leads the way in indicating to its allies and to the world that the day has come for the establishment in Palestine of a national home for the Jewish people and that it will use its best endeavors to facilitate the achievement of this object.

However important may be Mr. Balfour's declaration on behalf of Great Britain, nothing more than the first step has been taken. We have done no more than pass out of the realm of hope into the field of possibility. This is the hour that will test the soul of the Jew, serve as they have never served before, and they who, up to this time, have held aloof will find fullest opportunity for high not who have borne the burden of the day in expressing our joy and gratitude call to mind the wisdom and statesmanship of our leaders, who, alike in England and America have made possible the coming of the great day—Justice Brandeis, loved and honored leader of Zionists in our own land, and Dr. Chaim Weizman of England, who has carried the infinitely to the point of glorious triumph. The privilege it has been of my associates and myself of the Provisional Committee and allied Zionist organizations to hold up the hands of our leaders, under every Jew in America to the post of service and of honor—under the Zionist flag.

Singing Orchestra Coming Here On the Chautauqua

Seven of the Liberty Bells as an Orchestra. The Liberty Bells form a singing orchestra of nine talented girls who appear on the last night of the Chautauqua in a grand patriotic program. As piano, presenting popular selections pleasingly played. So well finished is their ensemble orchestration and so full of life and action their work, that the effect is surely that of an orchestra of twice their number. The latter part of the program is given in military costumes and features the stirring military airs of our country and our allies.

LATE-SOWN FERTILIZED WHEAT—"CATCHES UP" WITH THAT SOWN EARLY

The plant at the left was seeded three weeks earlier than that at the right, but fertilizer enabled the latter to catch up.

In sections where the Hessian fly is not to be feared, early seeding with fertilizer is the best combination. The plant at the left was seeded three weeks earlier than the one at the right, but the time of seeding was exactly the same as that of the plant on the left above. Fertilizer made the difference.

MICHIGAN STATE FAIR DETROIT SIXTY-NINTH ANNUAL FAIR AUGUST 30-SEPTEMBER 8 1918

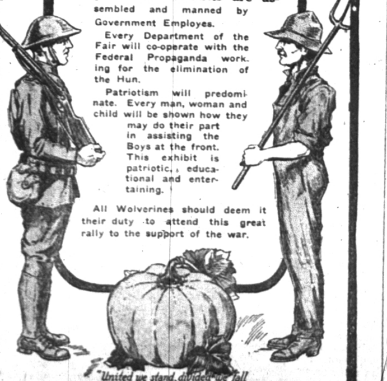

Huge War Exhibit BY U. S. GOVERNMENT

The Michigan State Fair has been selected by the Federal authorities as a gigantic war agency. Colossal displays will be made by the departments of War, Navy, Interior, Agriculture and Commerce and the Food Administration, covering 15,000 square feet of space. A special car of mine rescue machinery will give demonstrations of mine rescue work during the entire 10 days. These exhibits are assembled and manned by Government Employees.

Every Department of the fair will cooperate with the Federal Propaganda work for the elimination of the Hun.

Patriotism will predominate. Every man, woman and child will be shown how they may do their part in assisting the Boys at the front. This exhibit is patriotic, educational and entertaining.

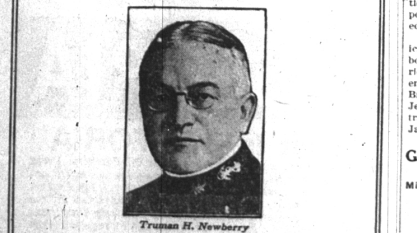

All Wolverines should deem it their duty to attend this great rally to the support of the war.

The Roosevelt Ideal

"The man elected this fall should not only be absolutely loyal but possessed of broad vision, sound common sense, high character and unyielding resolution."

—From the Address of Col. Roosevelt at Saratoga, July 17, 1913

Commander Truman H. Newberry combines all these qualities in the largest possible measure.

JERUSALEM UP TO DATE.

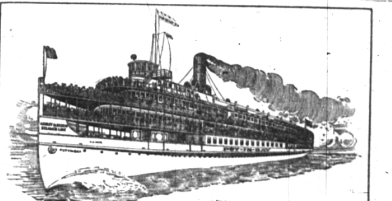

Residents of ancient Jerusalem will soon have to "watch your step." Ancient Jerusalem is soon to have a trolley car service. A trolley car system is being planned. The British authorities have already installed a parcel post system. They have also completed a water works system.

The Zionists have dispatched a medical unit to Jerusalem to establish a board of health, hospitals, dispensaries, clinics and maternity relief. An engineering unit is going next, and the British government is now mobilizing Jewish civilians to operate the double track railroad that runs from Suez to Jaffa.

Grand Cavalcade at State Fair

Million Dollar Livestock Parade Will Be Held On Saturday, September 7.

The annual Grand Cavalcade and the Million Dollar Livestock Parade of the Michigan State Fair will be held this year, at noon on Saturday, September 7. All of the grand and first prize winners among the horses and cattle, will pass in review before the grandstand. The fair will be held in Detroit from August 30 to September 8, and on account of the increased activity in livestock raising, through the necessity of war, G. W. Dickinson, Secretary-Manager of the fair association, announces the cavalcade will be larger and more impressive than ever.
