JOHN A. ADAMS  
Candidate for  
County  
Road Commissioner  
SECOND TERM

This being the season of the year when all departments of the County Road Commissioners office are working at top speed to complete as much construction work as possible on the county roads before the winter months, I have not felt that I ought to leave my duties as one of the present commissioners in order to devote my time to a campaign. I shall therefore be unable to personally see the voters of the county and will be obliged to leave the advancement of my candidacy in the hands of my friends and those acquainted with my record in the past.
