

To Lecture Here at Chautauqua

Frederick Dale Wood

Frederick Dale Wood will lecture on the fifth night of the Chautauqua, using for his subject here "The Expansion of Democracy." This is a non-partisan, non-political discussion of everyday subjects dealing with the cause and cure of the high cost of living.

Mr. Wood has traveled widely and has gained many practical ideas from a remarkable power of observation. He is a man of wide experience, having had a varied training in many different fields. When a boy he learned the printer's trade and later became a newspaper reporter and then owner. After this he took up the practice of law, which he practiced successfully for a good many years.

Under President Cleveland, Mr. Wood entered the Indian service, leaving to take up law in Seattle, Washington. At the outbreak of the Spanish-American war he enlisted in the First Washington Infantry, U. S. V., and remained in the service for two and a half years, most of which time he was in the Philippines. At the close of the war he took a trip around the world, traveling extensively in many foreign countries.

Mr. Wood has a delightful sense of humor which he uses most effectively in driving home some of his biggest truths. His lectures compel attention because they are timely and interesting discussions of practical, everyday problems in which we are all concerned.

EACH DAY FEATURED DURING STATE FAIR

Cleaners, Grangers, Old Soldiers, Road Builders and Many Other Organizations Convene During 1918 Exposition.

On each of the 19 days—August 30—September 8—of the 1918 Michigan State Fair a special attraction, in addition to the regular features of the exposition, has been arranged by G. W. Dickinson, Secretary-Manager of the Fair Association.

August 30, "Opening Day," will be featured with the greatest patriotic program ever staged in Michigan. Governor Sleeper and his staff will attend for the purpose of officially opening the fair and reviewing the great military parade and ensuing pageant. "Children's Day" will be celebrated on Saturday, August 31, the second day of the exhibition. Young America will hold away during the daylight hours and all the attractions will cater to the youngsters. "Automobile Day," when special attention will be given the Automobile Building and the world's championship automobile races will be run, has been set for Sunday, September 1.

Labor Day follows on Monday, September 2. On Labor Day, 1917, 117,411 visitors passed through the turnstiles at the Fair Grounds. This is the largest attendance ever recorded in a single day at any fair in the United States.

Grangers Convene September 4. The veterans of the civil and the Spanish-American war will have charge of "Old Soldiers Day," Tuesday, September 3. Members of the Michigan State Grange will hold their annual picnic on the fair grounds, "Grange Day," Wednesday, September 4, when thousands of Grangers will be in attendance.

The annual "Cleaners Day," Thursday, September 5, will be more auspicious than ever before. The new Cleaner Temple, which is being erected on the State Fair Grounds, will be thrown open for the first time and the program will be staged in the large auditorium of the building.

On Friday, September 6, "Michigan Day," Governor Sleeper and the Michigan senators and congressmen have been invited to hold receptions on the grounds for their constituents.

In honor of our allies in the north, Saturday, September 7, will be celebrated as "Canadian Day" and a special program for the entertainment of the visitors has been provided.

Aviators To Be Guests. The closing day of the fair, Sunday, September 8, will be styled "Aviation Day," in honor of the U. S. aviators at Selfridge Field, St. Clairsville. An invitation has been extended to the entire camp by Mr. Dickinson, and a large landing field will be provided for the flyers who come from the camp in their aeroplanes.

One of the largest Good Roads conventions ever held in the country will be in session three days, September 3, 4, 5, at the fair grounds when the annual meeting of the Michigan State Good Roads Association will convene. On account of the necessity of good roads as a war measure, a special report to attend has been made to every road man in Michigan, by the Hon. Philip T. Colgrove, president of the association. In order to facilitate the good roads movement, Mr. Dickinson is arranging a monster road building machinery exhibit and demonstration for the benefit of the delegates.

Auto Races at State Fair. Many of the world's greatest speed demons will compete for championship honors during the three days of automobile racing at the Michigan State Fair, in Detroit, August 30—September 8. A number of extra prizes have been hung up by G. W. Dickinson, Secretary-Manager of the fair association, for any tracks records broken during the contests on August 31, September 1 or September 8. Among the entries are Horor, Chevrolet, Ellingboe, Endicot, Clark, Brook, Lewis, Houghtall and many others.

The Montague Light Opera Singers in one of their costumed selections from favorite light operas.

MICHIGAN STATE FAIR DETROIT

SIXTY-NINTH ANNUAL FAIR AUGUST 30-SEPTEMBER 8 1918

"Wild Life of Michigan"

Will be one of the most interesting and instructive exhibits on the grounds. This display is being prepared by the State Game Department and will contain either a living or mounted specimen of every animal, bird and fish which ever roamed the forests, flew in the air or swam in the streams of Michigan, shown in their natural surroundings.

Increased Agricultural, Livestock and Industrial Exhibits.

Acme of Midway Attractions. Government sanction of amusements as a diversion for the people from the seriousness of war times has caused the Management to increase the expenditure for Midway attractions by thousands of dollars until the greatest Midway ever assembled for a State Fair has been secured.

Racing

Three days of Automobile and five days of Horse racing.

Auto Polo

Hankinson's International Auto Polo teams will contest every afternoon and evening.

"United we stand, divided we fall"

THE ELECTRIC GRILL

Is the ideal means to an appetizing breakfast on summer mornings when no one likes to fuss over a hot stove.

It broils, fries and toasts, and is cool, clean, quick and convenient.

Use it anywhere—Kitchen, Diningroom, on the porch—wherever a lamp socket is handy.

THE DETROIT EDISON CO.

Fare round-trip \$1.00. Finest music for dancing on steamer Put-in-Bay. Ball Room, largest on lake steamers. No charge for dancing.

Ashley & Dustin Steamer Line, First Street Wharf, Detroit, Mich.

BEAUTIFUL BIRMINGHAM

War activities of the United States Government will be one of the major attractions of the State Fair in Detroit, August 30 to September 8, the arrangements for this display having been concluded by G. W. Dickinson, Secretary-Manager of the Michigan State Fair, with A. A. Ormsby, representing the Joint Committee on Government Exhibits. Mr. Ormsby was especially interested in having an opportunity to show the people of Michigan what the Government is doing, having been born and raised in this state. One of the big features of the government's display will be the exhibit of the Bureau of Fisheries of the Department of Commerce. The food question has loomed large in the public mind for many months and the Fisheries Bureau will show the Fair visitors a number of excellent food fish that have not been used heretofore. These will include the whale, shark, gray fish and many others. In the display at Detroit both the Federal and State Administrations will combine in giving the interested visitor an insight into the undertakings of these bodies to win the war. Mr. Dickinson has arranged for the government exhibit to occupy 15,000 square feet of space in the automobile building. The department of agriculture will have a model farm buildings display with a view to encouraging the raising of live stock and poultry on a more scientific basis. The farmers visiting the fair will be interested in the display of this department which includes specimens of wheat and wheat substitutes which may be successfully grown in Michigan.

Is Lightest Wood. Sitka spruce, which takes from 70 to 80 years to mature, is light, compact, nearly odorless, light yellow, and has scarcely distinguishable sap-wood. It has long been used for ship-building, masts, spars and by musical instrument makers for sounding boards. Douglas fir or spruce, great forests of which are found on the coast, is also a favorite wood, but is somewhat heavier than the Sitka spruce.

NEWBERRY

The Liberty Belles, a Singing Orchestra in a Grand Patriotic Program, Coming Chautauqua Week

The grand concert on the last night of the Chautauqua by the Liberty Belles will be one of the big events of the week. They are nine clever, versatile girls forming a singing orchestra, who together and individually give a

stirring rapid-fire program of mirth, music and song. As one of Uncle Sam's Smilgee companies last winter they toured the army camps under the direction of the war department commission on training

camp activities and were so enthusiastically received by the soldier boys that immediately after finishing the trip they were started around a second time, being the first company to gain such favorable recognition.
