"Yes; but then he's in the starch business."

And it is interesting to know that one And it is interesting to know that one of the greatest of their discoveries was one of the simplest, and that was, that cooking or toasting tobacco improved it in every way, just as cooking most foods improves them.

They took a real Burley tobacco, grown in this country, tosated it is you would toas bread; moistened it to replace the natural moisture driven off by tosating made it into cigarettes, called them "LUCKY STRIKE, the tosafed cigarette, and offered them to the public.

Theresult has been the greatest demand ever created for any tobacco product in a similar length of time.

The change moreover.

The change produced by toasting is not only most wholesome, but the flavor is greatly improved, just as cooking improves meat, for example.—Adv.

Canada's Wheat Production Last Year was 225,000,000 Bushels; the Demand From Canada Alone for 1918 is 400,000,000 Bushels.

To secure this she must have assistance. She has the land but needs the men. The Government of the United States wants every man who can effectively help, to do farm work this year. It wants the land in the United States developed first of couries but a slow wants to help Canada. Whenever we find a maju we can spare to Canada's fields after ours are supplied, we want to direct him there.

Apply to our Employment Service, and we will tell you where you can best serve the combined interests.

Western Canada's help will be required not later than April 5th. Wages to competent help, \$50,00 a month and up, board and lodging.

Those who respond to this appeal will get a warm welcome, good wages.
