Don't Invite a Cold or the Grip.
If you feel "stuffed up," irritated, bilious, languid, or have a sick headache, a sour stomach, coated tongue, bad breath, or other condition caused by slowed up circulation, a Foley Cathartic Tablet will give prompt relief. It is a gentle, wholesome, thoroughly cleansing physic that leaves no bad after-effects. Sold every where.—Adv.

A new hardware store is being installed in the Wooster building, formerly occupied by the Kroger Grocery Co. Mr. McBride, of the Birmingham Hardware, is the man behind the counter.

A Political Staff of Officers

As long as Deputy Sheriffs are chosen by the Sheriff with a view to their political leanings and the help they can give in a campaign for election—just so long will the force of law enforcers fail to reach full efficiency.

Deputies Should Be Chosen as Officers

If I am elected Sheriff of Oakland county in the coming election I will appoint Deputies with an eye single to their qualifications as such, without regard to politics. I will make a point of selecting the best men available with the idea of securing the most careful and impartial enforcement of the law.

I have made no pledges as to whom I will appoint if I am elected, but I will apply the above principle.

SCHOOL NOTES.

The Junior and Senior High Schools have raised \$12.10 for a Service Flag. All football games, for the present, have been canceled.

Regular basket-ball practice has commenced. Many new students are trying out for the various teams.

The sale of lecture course tickets by the Senior Class is progressing well. It is expected that all restrictions on public meetings will be removed by November 9, the date of the Means-Anderson concert number.

So far there have been but few cases of influenza in the schools. About 35 little children have had chicken pox, but are nicely recovered.

The class in Manual Training are commencing to set up the first pieces work, both on original and stock designs.

A special evening class in French has been formed.

The regular weekly meeting of the adult Y. M. C. A. Study Class is held each Tuesday evening at 7:30 sharp, in the senior session room. All interested are invited to attend.

The Physics Class is building an A-C to D-C transformer switchboard for use in the Physics room. Mr. Toothacker is pleased with the manner in which the students have carried forward the project.

Letters received from former students who have entered the S. A. T. C. at the various colleges are uniformly favorable, a though a few low for civilian life. The "early to rise" feet seems to be hardest to master, but K. P. duty as an alternative is better than an alarm clock.

The Means-Anderson Entertainment Company, which will be heard on the Lyceum course, in the Baldwin Auditorium Saturday evening, November 9, has a remarkable record. Although this Company has filled hundreds of dates in all parts of the country, it has never been adversely criticized by any newspaper or committee. The program is clean, artistic and vibrant with life.

Miss Edna Means, reader, Eva Anderson, violinist, Hilda Brady, soloist, who make up the Company, are possessed of a personality and versatility which insure a program rich in contrast and full of startling surprises. Miss Means was formerly Dean of the College of Oratory of the Highland Park, Ill. University. Her mastery of her art, her charm and joyous nature have captivated her audiences from East to West. Miss Anderson, the violinist, is a remarkable entertainer, and Miss Brady has a voice of rare power and genius. Everyone will be both surprised and delighted with the program.

A DEEPLY BEREAVED FAMILY.

It is seldom the death-angel enters a home three times in less than a week, which has been the heart-rending experience of Mr. and Mrs. Charles Spence, of Council Corners. It is a quiet household now with three little voices hushed forever. Three little flower-like faces waiting to greet the sorrowing parent when they, too, shall answer the final summons.

Spanish influenza was the fatal disease which still left the little heart-beats. Wilbert, born January 9, 1913; died October 27, 1918. Orval, born February 18, 1915; died October 21, 1918, and Baby Harold, born the 5th of last May.

Two funeral services, one on Friday, October 25, and the other Tuesday, the 29th inst. were held from the home. Rev. D. H. Carey, of the United Presbyterian Church of Birmingham, officiating on both occasions, and the three little forms were tenderly placed in the Crooks Cemetery in Troy. Besides the parents, a little sister, Wilma, aged eight years, is left to mourn for her little brothers. Mr. Curry's consoling remarks were of great comfort to the grief-stricken parents.

Mr. and Mrs. Spence wish to express deepest appreciation to the officiating clergyman, Mr. Curry, the Red Cross and the many friends, one and all, who so generously and unceasingly aided them in this their darkest hour.
