The Priorities Board of the War Industries Board has listed paper mills as an essential industry, and has rated them in fourth class for priority for coal, on the distinct understanding that the greatost possible economy in the use of paper be exercised, and that the REDUCTION IN

There are just two ways in which the Birmingham Eccentric can comply with the order—cut off 15 out of every 100 of our subscribers, or reduce the size of the paper. We have elected to do the latter. So, commenceing next week, and continuing until business is again on a peace basis, the Eccentric will be issued with six, instead of seven, columns to the page.
