

# Attack!

Our men answer this command  
with a yell of satisfaction!  
Fight as *they* do!  
Go in with the same determination.

Your sacrifice—saving money—puts the  
fighting weapons into their hands.

The Boche fears a bond as he does a  
bayonet, for deep down in his heart he  
knows the money means material of war.  
He knows that these guns and shells and  
bayonets in the hands of American sol-  
diers mean *the End!*

## Lend the Way Our Boys Are Fighting!

Sacrifice self as they do, and spring to the  
*attack* as readily. Feel the thrill of being  
on the *offensive*. Get on a war basis.  
Save with your whole strength.

## Attack the Hun! Buy Liberty Bonds to Your Utmost

This Space Contributed to Winning the War by

### THE "TEA PARTY" AND THE KAISER

By LOUIS ALBERT LAMB.  
My grandpa painted red his hide  
In ancient Mohawk style,  
And crept down the Mystic side  
To wait a little while.

Then other Yanks in redskin guise  
Collected at the bay  
And took the tea ship by surprise  
And threw the tea away.

Old George the Third was much  
averse  
To freedom for the Yanks;  
His taxes were a deadly curse—  
He taxed and gave no thanks.

But when the Mohawk Boston men  
Dumped all the tea to port  
King George began to think again  
And arm for warlike "sport."

He sent his Hessians over here  
To kill Cap. Barker's boys,  
To burn the school and meeting house  
And other such noise.

But when they came to Bunker Hill  
That jolly day in June  
And Warren met 'em with a will  
They tipped another tune.

The Yanks have got a job today  
That's worthy of the race,  
The Kaiser trends a rocky way  
And sure to save his face.

But all the Yanks have gone to France  
En route for old Berlin;  
If we buy Bonds at every chance  
You bet the Yanks will win!

Our granddads dished King George's  
will  
And sailed all his tea.  
Our boys will do the same for Bill,  
Kaiser of Germany!

The only way to push the work  
And make Berlin our own,  
Is this: Get busy, do not shirk  
But BUY THE "FIGHTING LOAN."

FARMERS AT START OF  
TWO VITAL CAMPAIGNS  
Tillers of the Soil Must Prepare for  
Next Year's Harvest and New  
"Fighting Loan."

Farmers of the United States, whose  
work the last twelve months in for-  
tifying the food lines of the allies has  
been of such supreme importance, are  
now at the start of two vital cam-  
paigns—preparing for the 1919 wheat  
harvest and for the "Fighting Loan."

The wheat harvest of 1919 will be the  
Liberty Wheat Harvest and the govern-  
ment has asked again for the co-  
operation and support of the wheat  
producers to sow 47,000,000 or more  
acres of winter wheat this fall to  
guarantee against possible partial crop  
failure next year. Uncle Sam knows  
from past experience that the Amer-  
ican farmer again will "come across"  
at the call. The United States grain  
grower now realizes fully that he is  
the main line of defense in the allied  
food army, and he is proud of his po-  
sition and of his achievements. With-  
out the essential food reserves there  
will never be a grand smother that will  
overwhelm the destroyers of the  
world's peace, but with the American  
farmer holding the line, the food re-  
serves will be in full and the grain  
smash will come as surely as the  
American nation is in the war.

Coincident with the beginning of the  
campaign for the Liberty Wheat Har-  
vest will be the inauguration of the  
campaign for the Fourth Liberty Loan  
—"the Fighting Loan." Both of these  
campaigns are vitally important. Both  
will be backed to the limit by the  
farmer. Both will bear positive witness  
to the unity of the solidarity and sin-  
gleness of purpose of this country.  
Both will heighten the morale of the  
allied peoples and give a conquering  
spirit of confidence to the allied  
armies; and both will enable Uncle  
Sam to throw the whole weight of his  
mighty resources against the cracking  
German line, so that the harvesting of  
the Liberty Wheat Crop may indeed  
be a harvest of freedom, the Hun  
overthrown, justice and right triumphant,  
and the world at peace.

WHAT LIBERTY BONDS CAN DO  
One fifty-dollar Liberty Bond will  
pay the United States war bill for  
140 of a second, or buy 1,000  
cartridges, or 100 hand grenades, or  
104 rifle grenades, or 37 first aid  
packets and cases, or 10 bayonets and  
scalpards, or kits for a platoon, or  
knives, forks and spoons for a com-  
pany, or four gas masks. It will feed  
one soldier for four months, or will  
feed 100 sailors for a day, or provide  
life preservers for 10 men or bat-  
masks for 10 sailors, or windproof  
suits for 10 naval lookouts, or save  
1,000 men from sunstroke by paying  
for vaccine, or save 600 men from ty-  
phoid fever by paying for their in-  
oculation, or save 120 wounded men  
from lockjaw by providing antitoxin  
or buy 1,000 yards of adhesive tape,  
or bandage 100 wounds.

A one hundred dollar bond will buy  
eight 75m. field gun shells, or three  
rifles and their bayonets, or 5 in-  
cendiary airplane bombs, or 5 N.T. for  
the bursting charge of a 14-inch shell.  
It will clothe a soldier for overseas  
service, or clothe a sailor. It will feed  
a company of infantry for a day. For  
the medical department it will provide:  
25 pounds of ether for anesthesia,  
or 145 hot-water bags, or 2,000 surgical  
needles.

Catarrh Cannot Be Cured  
WITH LOCAL APPLICATIONS, as they  
cannot reach the seat of the disease.  
Catarrh is a local disease, greatly in-  
fluenced by constitutional conditions, and  
in order to cure it you must take an  
internal remedy. Hall's Catarrh Medi-  
cine is taken internally and acts thru  
the blood on the mucous surfaces of the  
system. Hall's Catarrh Medicine was  
prescribed by one of the best physicians  
in this country for years. It is com-  
posed of some of the best natural ingredi-  
ents combined with some of the best blood  
purifiers. The perfect  
the ingredients in Hall's Catarrh Medi-  
cine is what produces such quick results  
in catarrhal conditions. Send for  
F. J. CHENEY & CO., Props., Toledo, O.  
Hall's Family Pills for constipation.

### REQUISIT IN PALE.

A dignified old gentleman in a suit of shiny  
black,  
Although a rigid family man, of friends he had  
no lack.  
He walked from home to office, was never  
known to ride.  
No pomp or pleasure could compare to his own  
freedom.  
He was a dog of high degree, though question-  
able birth.  
In playful mood he romped and raced in antics  
of mirth.  
For simple, faithful service upon him we relied,  
But in spite of our attention, poor Rose cashed  
in and died.  
He sleeps beneath the lilac tree where oft he  
loved to play.  
Like other dogs, alive and dead, old Rose has  
had his day.  
His dreams are full of chicken-hopes, and cats  
he has gallie.  
His like we'll never see again; his death we do  
deplure.

### MUNICIPAL EMPLOYMENT BUREAU.

The employment bureau established by  
the Village Manager has the fol-  
lowing applications, to-wit:  
One very good looking little woman  
with a wee baby wants some lady to  
do light house keeping, a nice home  
and a good small income insured.  
An elderly lady who is an accom-  
plished dressmaker and seamstress  
announces that she is prepared to do  
sewing in the various homes in Bloom-  
field township. She has for many  
years specialized along these lines  
and has remained at certain addresses  
until the household and all women  
folks have received new wardrobes.

### "BORROWED" LANTERNS.

Since April 15 the Village has lost  
11 red lanterns. The lanterns were  
placed above excavations and barri-  
cades in different parts of the village  
and when it came time to gather them  
to find them. If any one has been  
acting as custodian to any of these  
lanterns we would greatly appreciate  
their return to the Police Department.  
In some incidents we have even  
lashed them to individuals, something  
the Village is not obliged to do. It  
may be an oversight on the part of  
some that we have not received a re-  
turn of these signals.  
G. A. ARHOTT,  
Village Manager.

Russell Bonnie is ill with diphtheria  
at his home on Brown street.  
Miss Emily Walker has returned to  
Sciencio Hills, Shelbyville, Kentucky,  
after visiting her parents, Mr. and  
Mrs. William Walker, in Troy.  
Mrs. S. Reynolds, of Pontiac, has  
gone to Syracuse, New York, to visit  
relatives. Mrs. Reynolds was formerly  
of this place.

Gaylord Simpson celebrated his  
50th birthday one day last week at  
the home of his son, Harry Simpson,  
at Highland Park.  
Mr. and Mrs. A. J. Gooley, of Pon-  
tiac, have been guests at the home  
of Mr. and Mrs. Harry Harrison, on  
Watkins street.

Word has been received that Roy  
Grant, of this place, who is in the  
United States navy at the Great  
Lakes training station, is ill with  
fluenza.

Mr. and Mrs. Jules Martin and  
daughter, Margaret Ann, have return-  
ed to Sioux City, Iowa, after visit-  
ing Mr. and Mrs. Peter Reid, on South  
Woodward avenue.

M. H. Blunt, the auctioneer, opens  
the season tomorrow (Saturday) with  
a big sale for P. J. Wilson & Son,  
east of Royal Oak. For particulars  
see advertisement.

Mrs. J. Chandler gave a birthday  
party Friday afternoon at her home  
on Forest street for her daughter,  
Patricia, it being her seventh birthday.  
There were 15 guests present.

Word has been received by Mr. and  
Mrs. William Robinson that their  
son, Private Roy Robinson, who is  
with the machine gun battalion of  
the U. S. army in France, has been  
wounded.

When Children Start to School.  
School opens at a time of year when  
the change of seasons is likely to cause  
coughs, colds, croup, has fever and  
asthma. Prompt action at the first  
sign of infection may keep children in  
prime good health and help them to  
avoid losing time. Foley's Honey and  
Tar is an ideal home remedy. Sold  
everywhere.—Adv.

Battle Against Dry Rot.  
Dry rot is a wood disease that is  
giving serious trouble in some local-  
ities and engineers are prescribing pre-  
ventive and curative remedies.  
It is especially urged that every trace  
of the infection be removed from timber  
for buildings. The infected spots are  
to be oiled to retain the spores and  
are then to be completely removed  
and burned. The diseased wood is to  
be kept from contact with other build-  
ing material, while shaves used in cut-  
ting it are to be afterward sterilized.
