CALLUS CORNS LIFT RIGHT OFF

Doesn't hurt to lift them off with fingers

Apply a few drops of Freezone over a tender, aching corn or callus and instantly the pain stops and shortly you will lift the offending corn right off with the fingers. Not a twinge of pain when applying Freezone or afterward even though you may be walking or dancing. Simply a few drops on the corns, callus and "hard skin" on bottom of feet, then lift them off.

Freezone dries in a moment and shrivels the corn without irritating the surrounding tissues. A tiny bottle of Freezone costs but a few cents at any drug store. Ample to rid one's feet of every hard corn, soft corn or corn between the toes, and the calluses on bottom of feet, without one bit of soreness.

RANKS WITH WORLD'S GREAT

Achievements of Sir Isaac Newton Give Him an Assured Place Among Immortals.

According to a legend, which, however, is seriously considered by certain authorities, in the year 1665 the fall of an apple as Newton sat in his garden suggested the most magnificent of his subsequent discoveries—the law of universal gravitation. On his first attempt to explain by the simple and elementary motions he employed an estimate then in use of the radius of the earth which, based on the value of a degree of latitude then prevalent, was so erroneous as to produce a discrepancy between the real force of gravity and that given by theory to explain the motions and indicated only an irreconcilable verification of his theory. Accordingly, he abandoned for a number of years the hypothesis that a homogeneous attracting sphere behaved as if all matter was concentrated at its center, and took up other studies, consisting chiefly of investigations of the nature of light and the construction of telescopes. He also propounded new theories on light and color. Newton died March 20, 1727 (old style), and his remains were interred in Westminster abbey.

AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take 3 DOLD MEDAL Harlem Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Harlem, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.—Adv.

Whiskers Reappearing.

A noticeable feature in masculine appearance is the increasing fashion of whiskers. At present they are only small affairs of the Albert variety, made popular by the prince consort. The whisker is no longer than two fingers' breadth, but there is no telling what dimensions these side products of the razor may assume.

It is an army fashion, just as beards were an after-growth of the Crimea. The present whisker originated among officers whose right arm, stiff or impaired through wounds, cannot be raised easily to the level of the ear, and so prevents a clean shave to the top of the cheek.—London Chronicle.

Agitation.

"I wish they'd quit saying prices will go down," said the thrifty woman. "It's well meant."

"No doubt. But every time the announcement is made it seems to scare all the people I deal with into making hay while the sun shines."

Don't Forget Cuticura Talcum

Atlantic Flight Delayed.

St. Johns, N. F.—Indications that Harry G. Hawker and Lieut. Commander Mackenzie Grieve, British aviators to cross the Atlantic, would not be able to start on April 16, as planned. The ground in the vicinity of their hangar at Mount Pearl, a few miles from this city, is still covered from the winter snow and early spring rains, and it will be several days before a machine can run over it. The airmen and their assistants are busy assembling their planes.

Training School For Michigan.

Muskegon, An Army physical training camp, backed by Chicago men, cooperating with the Government, which will supply all equipment, has been located here, the Lake Harbor Resort property, four miles south of the city, having been found ideal for the purpose. The ultimate object of the plan, as outlined by the Chicago interests backing it, is the establishment of a national system of physical military training, for all high schools, also to maintain it.

American Fliers Honored.

Paris, A tablet commemorating the names of members of the Lafayette Squadron who died for France has just been unveiled at Suresnes. It was modeled by a French artist and executed under the direction of Sidney B. Vest, secretary of the foreign service committee of the American Legion in America. The tablet is to be shown in the trophy room of the American Legion and also at the aeronautical exhibition in Atlantic City in May. Eventually it will be placed in New York.

WILSON CALLS SHIP; SAILS IMMEDIATELY

SPECIFIC INSTRUCTIONS FROM PRESIDENT THAT SHIP SAIL AT ONCE FOR BREST.

INSISTS ON FOURTEEN POINTS

Officials Explain It Wished to Leave in Harry Lee If Ship Might Prove Very Embarrassing.

Insists on 14 Points.

London, President Wilson's policy is to find out peace opportunities and get back to the 14 points accepted at the time the armistice was arranged, says the Paris correspondent of the Ex-Indoor Telegraph company.

He is fully prepared to quit and if such home unless his associates consider the interests of the world inclined of local interests.

The correspondent telegraphed that despite Anglo-French declarations to the contrary, it is clear that President Wilson does not regard with favor the idea that a peace settlement has about to be reached.

Critical Stage Reached.

This is the most critical day of the peace conference since the attack on clemenceau. Since early morning the army of correspondents has been agog feverishly on the qui vive. Something big is in the air, no one guesses what it is. Yet everyone feels this is the critical day in the world's history for no critical thing any is the darkest day of the great war.

UKRAINE MASSACRE THE JEWS

Four Thousand Were Killed Or Wounded in the City of Proskurav Says Report.

New York, A story of almost unbelievable massacres of Jews by government troops in the Ukraine was related to the Jewish Morning Journal. This city, by its staff correspondent at London. Both the correspondent and the management of the newspaper vouch for it as authentic.

Four thousand Jews were killed or wounded in the city of Proskurav, according to the dispatch, in another town, Felshin, 800 Jews were killed and the number of wounded Felshin to the thousands.

Starving and stirred to uncontrollable fury by stories spread by anti-Semitic propaganda to the effect that the Jews were hoarding foodstuffs, Ukrainian government troops launched into wild orgies of massacre, pillage and destruction, it is correspondent says.
