LAND VALUE FIXED

Depends Altogether on Power of Giving Wealth.

That is Why the Fertile Acres of Western Canada, with Adjacent Markets, Are So Attractive to Settlers.

Throughout every portion of the Western Empire it is that are capable of producing an almost unlimited quantity of food. The fertile acres of Western Canada, with adjacent markets, are so attractive to settlers because they depend altogether on the power of giving wealth. The land is so fertile that it can produce a great deal of food, and the settlers can give their land to others, making it a valuable asset.

PEACE DELEGATES STARTLED

Speed Up Work on the Treaty, Which Germans Say They Will Not Sign—League of Nations Covenant Being Amended.

By EDWARD W. PICKARD.

Matters in Europe last week moved swiftly toward a climax. Bolshevism was gathering itself for its greatest efforts, and made a start in that direction that alarmed the civilized world. It pushed its fingers on Hungary, or at least on the government and Budapest, the capital and seat of power, and established in place of the emperor that was headed by Count Karolyi. Revolution broke out in Austria, starting in the old districts, where an experiment was set up in the League of Nations which Germany had declared a general strike, and Polish troops sent to combat the revolution in the movement. Yugoslavia was proclaimed a republic, and its disorganized military operations against Romania's army, the latter being the only organized force in the Balkans. The Russian Bolsheviks and support of the Ukrainians, the idea being to establish communication between Moscow and Budapest through Romania. Efforts to bring Czechoslovakia and German Austria into the Bolsheviks have been so far unsuccessful.
