

# AMERICAN U-BOATS BACK FROM THE WAR

After 17 months floating in German U-boat pens in the Bay of Biscay, the American U-boat, the USS Albatross, is being towed to Philadelphia. The Albatross is the only U-boat to have been towed to the surface since the war.

## GET AFTER BOGUS STOCK SELLING

### Federal Trade Commission to Curb Widespread Misrepresentation.

## GLASS SAYS MENACE EXISTS

### Holders of Liberty Bonds and War Savings Stamps to Be Protected Against "Get-Rich-Quick" Schemes.

Washington, Dec. 10.—The Federal Trade Commission has officially announced that it will endeavor to suppress and prevent the sale of securities and other financial instruments through the country to the present widespread misrepresentation in the sale of stocks and bonds, recognized as being at this time a particular menace to holders of Liberty Bonds and War Savings Stamps.

The commission will accord immediate consideration to complaints presented to it regarding alleged fraudulent practices in the sale of securities. It has authorized its Commissioner to investigate and to supervise the entire sale.

The commission's action follows a report made to it by representatives of the Treasury, central issues committee, Federal Reserve Board, and other agencies. The report stated that the commission should take prompt action to protect the public from the sale of securities through the country to the present widespread misrepresentation in the sale of stocks and bonds, recognized as being at this time a particular menace to holders of Liberty Bonds and War Savings Stamps.
