You Will Appreciate the Chicago Plan

The Chicago plan is appreciated by all thrifty people who see the advantage of owning good clothing at low prices. By means of this system you pay only a small sum down and the balance in small payments while wearing and enjoying the article you choose.

The time to buy next winter's clothing is right
The way to buy them is on payments.
The place to buy them is at the **CHICAGO CLOTHING CO.**

Prices are now naturally lower than when the season is under way. Select your clothing now and pay a little each week, and they will be almost paid for when winter arrives.
