IS THE CHICAGO'S PLAN

Men's Suits and Overcoats \$18 to \$60

Few men would be able to afford the luxury of buying Fall clothes NOW if they had our knowledge of the prevailing conditions in the women market and the new cost basis of all textiles, labor, etc. We have made the repeated suggestion that having to do with the OLD PRICES are operators and the fact that Vogue is going to be the biggest thing this month in our history is proof that our advice is being seriously taken.

Window Shades

We make window shades, blinds and have in stock ready-made shades of all sizes. Let us measure your windows and give you an estimate on what shades you need. You will find our quality of shade both very good and our prices reasonable.
