BY ACCIDENT.

"Thank goodness," said President D. R. Moore of the Y. W. C. A., "the German government has got rid of Secretary Solf. Solf was a member of the old regime, and the old regime never held the truth except by accident." "Solf and his gang would not use Mrs. Malaprop's words out of the picture theater played in her last, the other after he was found to have died and died."

"She had no husband, and, as she set off for home in the dog-pour, she exclaimed:

"I have long imagined this last!"

ONE-FOURTH WORLD'S WOMEN IN CHINA

Seventy Per Cent. Employees in Shanghai Cotton Mills Women and Children Working Twelve Hour Shifts.

One-fourth of the women in the world are Chinese, 70 per cent of them. They are doing menial industry in large numbers to work long hours and for little money.

In Shanghai, for instance, seventy per cent of the employees in the cotton mills are women and children. Working hours for spinners are from six in the morning until six at night and for weavers from five in the morning to five in the afternoon.

Y. W. C. A. STUDENTS TEACHING IN CHINA

Physical Training School Maintained in Shanghai.

The vast majority of Chinese are non-readers. Their mothers are ignorant. Many a girl wanders into a mission school who has not had her own feet bound, but has never seen a woman of her own class who could walk, and therefore she walks in a most ungainly fashion, scarcely conscious of her natural feet.

The Chinese Medical Association, an Association composed of only of Chinese students, mostly graduates from American and English institutions, have asked the entire educated community of the country to cooperate in their efforts for the children of China.

All the Mission Boards operating in China felt that one of the greatest needs of the Young Women's Christian Association could offer to the health of China would be to establish a normal school for the training of physical educators.
