But it does no good to save money unless it is put into circulation in some way.
 Until you are ready to invest your savings, a safe, patriotic depository for them is a Bank Account where they will stand for increased credits on which to finance reconstruction and business activities.
 Your funds deposited with this Bank will be safe, immediately available, and will be doing their full patriotic duty.

Your Opportunity
 No person, however well versed in finance, can give definite data on the financial possibilities of the future.
 But the years have never failed to reveal hundreds of opportunities for the man with money. That you may be one of them, and that opportunity being lost, begin saving money with a greater determination than ever before.
 A First State Savings Bank account, steadily increased, will be the most important factor in your future investments.
 Your Savings, in the meantime, will earn 1 per cent interest, which is a splendid investment within itself.

OWN A HOME
 Many families would gladly heed the advice to own a home, if they only had the money to make a purchase.
 Many other families are accumulating the necessary funds in "thrift" accounts. It is remarkable how quickly these "home" funds grow when deposits are made systematically; the interest we add helps materially to reach the goal.
