WHICH IS THE BEST PHONOGRAPH?

You don't need to go to a store. Just look the different "ads" over.

Some makers praise their phonograph's tone, some their horn, some their reproducers, others their cabinet work, some their low prices, etc.

But their is only one maker who advertises that his phonograph will RECREATE music exactly like the original and that maker is

Thomas A. Edison

and his recently discovered phonograph is called

The New Edison

Not only does he advertise it, but the tone tests to prove it are being held in Detroit and all over the country where artists sing with their own records on the New Edison and critical audiences are unable to detect any difference.

And yet will you discuss the question, "which is the best phonograph?"

Perfection

What more can you ask of a phonograph than that it RE-CREATES music perfectly?

No other phonograph maker dares make this claim.

What is there left to discuss?

Nothing!

The serious matter is your being able to get a New Edison for Christmas if you don't place your order at once.

Some models are already oversold.

We offer very easy terms of payment and expert New Edison service.

THE REASONS FOR THE CLUB

To provide a way for those of moderate and even small means to bank their money.

To teach "the saving habit" to those who have never learned it.

To give young folks a practical education about money—by showing them that if they give up the little things they want today, they can get the big things later.

To give you a "bank connection" and show you how our bank can be of service to you.

WHO GETS THE MONEY YOU EARN?

Money spent is money gone—Money Banked is money SAVED.

It isn't the money you make that counts, but the money you save, and there is no better way to acquire a bank account than by joining our Christmas Banking Club.

Ask any wealthy man how he got his start—he will tell you that he saved and banked his money.

Get your start. Get it today. Come in and join our Chirstmas Banking Club.
