Time and Service have demonstrated the superiority of **Red Inner Tubes** made from the finest grade of Para rubber, the strength of a Firestone tube is remarkable. A strong man cannot break a !2-in. cross section of one of these tubes. These tubes are made by the antimony cure process. This gives them remarkable heat-resisting, qualities, assures longer life to both tube and casing. It is real economy for you to use Firestone tubes and tires. They always give you "Most Miles per Dollar." With every purchase of a Firestone Red or Grey Tube, we give a rubberized tube bag free. This container is just the thing to preserve your tube, by protecting it from chafing, moisture, grease and grit. Boughner Brothers
