Cut This Out - It Is Worth Money

Do You Want to Know

Both Sides?

Swift & Company's 1919 Year Book,

just out, tells you

What Swift & Company's profits were in 1918,

The truth about the Federal Trade Commission's investigation,

Why the prices of butter and eggs are so high, And many other vital facts.

Whether or not you agree with us after dding this Year Book, you will at least ow both sides.

Enow both sides.

You will find it interesting: Americans like to hear about by things done in a big way. You will also discover that we are merely hims, beings hie yourself, doing in the best possible way a necessary service.

Legislation is pending in Washington: as a sold American citizen you want to know both sides of this question. It concerns you, as well as pine of the most important industries in the country.
