If there is anyone knowing of anyone wishing to buy a good, first class going concern, a newspaper and job office that is a mone-smaker, who will drop a line to Box 700. Birmingham, Mich., thew willhard of something to their integrest.

The Min-Winter meeting of the State Morticultural Seciety will be held in Pennville, Mich., Pebruary II and La Vary interesting program will be presented, and a large attendance from all over the State will be on hand for the opening session.

William Howard Taft is, exacted in

man father, who as an invitation to the women to attoo the women to attoo the women to attoo the Ecentric Econing News has sent to the Ecentric Econing News has sent to the Ecentric the forming, the life and the standing of that great periodical that one could wish. It is expensive, and as a work of art never can be excelled. It start with a brief narration of the hirth of the Newsin 1873, with a clat showing the building in which it was born, and shows the new, modern and complete the more which it now occupies. It's just mirvebous, It really exceeds the Ecentric in growth, wealth, glant and circulation, but we won't acflowledge the Ecentric in growth, we also hook is a beauty worth seeing! Call and see for yourself. Queting just one paragraph from this history of a newsipaper! you can see how much jusper it requires daily for this great metropolitan publication. We quote: "Foreste must die each day the faper appearange every 24 hours, a hunfred rolls of paper made from wood pulp, and each roll containsisk mises of paper. The ribbon of paper is It inches wide, and races through the presses at the rate of 14,175 inches a minute, cf. 70,875 feet an hour. When all the presses are in operation they u.e. 1,701,000 feet or 322 miles every bour. 70,875 feet an hour. When all the presses are in operation they use 1,701,000 feet or \$22 miles every 'our. Last year 219,000 miles of paper werdis insinky way through the machinery—nine times enough to elerrle the earth. A single edition of the News uses 104,700 psunds of paper, or more than \$2 tons, and the Sunday edition uses 125 tons, without counting wastage."
