Keeping Business on a Level

Would it be any satisfaction to you in these times if you could put some of your money into the great national fund held by the Federal Reserve Banking System which is standing back of and steadying the business interests of the country?

You can do it by depositing your money with us, as we in turn keep part of it on deposit with our Federal reserve bank, where it will be ready for you when needed.

In this way, without cost, you can . alrengthen the system and secure for yourself its protection.
