The Man Who

buys McHenry-Mithun Asphalt Shingles and Asphalt Prepared Roofing in Hills has settled for all time the roofing question.

The business of this little "cell" is to particularly impress upon you the serviceability of the roll roofing.

The roll roofing is equally practical for flat or steep surfaces. This roofing is certainly made to withstand the wear and tear of time, too.

To specify McHenry-Mithun Asphalt Prepared Roofing in Hills is to specify roofing satisfaction. There is satisfaction in every roll, either in the long run or in the short run.

It is a gift from such headlamps, which are being sold, "poisonous" and "injurious" to the health of the consumer. The following are the names of the firms which are selling such adulterated food: H.
