

CAMP ROOSEVELT

Reserve Officers' Training Camp at Muskegon Open to All Americans from 12 to 45 Years.

Those from Birmingham will be invited to a Reserve Officers' Training Camp on Lake Michigan this summer...

The military training will include drills, machine gun practice, ground training, radio instruction and other military features.

Camp Roosevelt is not a profit-making institution. It is being financed by a committee of patriotic Chicago citizens who believe that it may pave the way to a program of national preparedness at all times.

Camp Roosevelt will be under strict military discipline and the commanding officer will have complete charge of all added features of training.

Many inquiries are coming in regarding the camp that has become necessary to establish executive headquarters at 21 N. La Salle street, Chicago, from which full information may be secured upon request.

To become a member of the Garden Club send in your name and one dollar for a year's membership to Mrs. R. T. Donovan, care of Mrs. Biscow on W. Maple avenue.
