One on the Judge. A young girl who had been a victim of a terrible crime, was brought before the court. The judge said that she was a good girl, and that she should be set free.

It is impossible to allow this possible outbreak of crime to go unchecked. I shall be taking the one step that will stop it.

The Usual Thing. "The police are not going to be much frightened by your case," said the constable. "They are going to be almost as good as dead with each other's heads on a spike."

Hard Task. "Time-Hellish, and a good best! Writing home for me?" "No."

Expatriated. "How did you find the money to go abroad to study?" "The neighbors found a subscription, I believe."

Care and Responsibility.

THE responsibility attached to the preparing of a remedy for infants and children is undoubtedly greater than that imposed upon the manufacturer of remedies for adults whose system is sufficiently strong to counteract, for a time at least, any injurious drug. It is well to observe that Castoria is prepared today, as it has been for the past 40 years, under the personal supervision of Mr. Chas. H. Fletcher.

What have makers of imitations and substitutes at stake? What are their responsibilities? To whom are they answerable? They spring up today, scatter their nefarious wares broadcast, and disappear tomorrow.

Could each mother see the painstaking care with which the prescription for Fletcher's Castoria is prepared; could they read the innumerable testimonials from grateful mothers, they would never listen to the subtle pleadings and false arguments of those who would offer an imitation of, or substitute for, the tried and true Fletcher's Castoria.

Children Cry For Fletcher's CASTORIA

Net Contents 15 Fluid Ounces. 900 Drops.

ALCOHOL-FREE PREPARED. A Vegetable Preparation for Infants and Children. It is the only safe and reliable remedy for the ailments of infants and children.

Great is Truth, and mighty above all things. Truth shows no favors, fears no enemies.

From the inception of Fletcher's Castoria, Truth has been the watchword, and to the conscientious adherence to this motto in the preparation of Fletcher's Castoria, as well as in its advertising is due the secret of its popular demand.

All imitations, all substitutes, all just-as-good preparations lack the element of Truth, lack the righteousness of being, lack all semblance even in the words of those who would deceive.

And you! Mothers, mothers with the fate of the World in your hands, can you be deceived? Certainly not.

Fletcher's Castoria is prepared for Infants and Children. It is distinctly a remedy for the little ones. The BABY'S need for a medicine to take the place of Castor Oil, Paregoric and Soothing Syrup was the sole thought that led to its discovery. Never try to correct BABY'S troubles with a medicine that you would use for yourself.

Mothers should read the booklet that is around every bottle of Fletcher's Castoria.
