Ford

THE UNIVERSAL CAR

The Ford One-Ton Truck may well be classed as an agricultural necessity, it fits into and fills so many wants on the farm. It is a reliable bearer of farm burdens, not only doing the work of several horses quicker and better than the horse, and does not "eat its head off" when not working.

The Farmer's Truck

The aggressive farmer has only to consider the possibilities of the Ford Truck and he is ready to buy one. We judge this to be so from the way farmers are buying them.

Garrick Theatre.

"Why Marry?" one of the most brilliant comedies of the past decade, and which was the last play in which Jane Goodrich appeared, has been selected as the offering of the Bonstelle company for next week.

"Why Marry?" was awarded the Columbia University Pulitzer prize as the best play produced during the year. It is a delightful farcical conception, full of dramatic possessions, with a fine epigram and throws consid... ...a most important ... ...from a treat... ...ment by Jesse Lynch Williams, a ... ...and a offering ... ...the Bonstelle players brilliant ... ...ortunity.

It is extremely humorous, throughout, so far after the fun of the final ... ...es of the author has ... ...been having a pleasant evening ...reading you into the fields of disputation, to the fireplace where you are ...ready to lock horns with him, then ...he suddenly turns about and you are ...forced to the conclusion his ideas ...are much as your own, that he has ...been merely offering chimerical argument for the purpose of amusing, ...making you think while you laugh, ...and altogether having a companionable evening.

"Why Marry?" will make you laugh, it will make you think, it will make you agree and disagree with the author, but above all it will entertain you as few plays have. It represents play construction and dialogue at its best and it swerves just enough from the beaten path of the bromide to tingle with keen, satirical enjoyment.

The usual Tuesday, Thursday and Saturday matinees will be given.

It Is All Gone Now.

Samuel L. Kramer, Box 96, Sellersville, Pa., writes, "I had kidney trouble for two years and had a terrible backache. That is all gone now after using Foley Kidney Pills and I feel well again." When the kidneys are overworked, week or diseased, the waste matter remains in the system and causes pains in side or back, rheumatism, lumbago, stiff joints, sore muscles, backache. Foley Kidney Pills get results quickly and are tonic in their healing and soothing effect. Good for bladder trouble, too. Sold everywhere.—Adv.

BASEBALL SEASON OPENS.

The first game of the season, and in fact in several months, was played on Decoration Day by a team representing the city. Little opposition was found from the Ferndale team who were the attraction on that day. The lopsided score, however, does not convey much of the weakness of the visitors as it does the strength of the local team. It would be extremely difficult to gather together a stronger combination of players from the many excellent teams which have represented Birmingham during the last few years, both as High School players and Independent. All the old stars are back, many of them having lately left some branch of the service, which training has taken nothing from their ability or speed, as anyone who witnessed the opening game will testify. The score, 29 to 1, is sufficient to convince the most exacting fans of their ability.

A schedule is being arranged, and it is hoped to furnish amusement regularly to the fans of the city. Games will be announced and it is hoped the efforts of this fine aggregation will be rewarded by the enthusiastic support of the baseball lovers of Birmingham. Games will be played Saturdays and holidays on the Barnum Field. Come out and see some first-class baseball.

The lineup for Birmingham included the following: George Johnson, c; Ray Winegar, p; Hal Schlaaq, 1b; Mark Hanna, 2b; James Montgomery, 3b; Ray Robinson, ss; Lynn Allen, lf; Stanley Anderson, cf; Lloyd Smith, rf.

"Green-Seal" your house and save repair bills

House-owners know the annoyance and expense of continually paying out money for repair bills, but by using Hanna's Green Seal Paint on their property occasionally, these bills can be done away with to a large extent. Any surface, if left to itself and not properly painted, is bound to decay sooner or later, whereas a coat or two of paint at reasonable intervals will prepare it to withstand all the ravages of time and wet weather.
