LET'S GET IT OVER

Our minds have swung out of the channels of war into the channels of peace. The problems of peace that grapple us now are great indeed.

So why continue to pay for the maintenance of patriotic activities such as the Red Cross, the Knights of Columbus, the Y. M. C. A., the Salvation Army, the Jewish Welfare Board?

The Germans have quit. The soldiers are returning. We are trying to get our own houses in order for peaceful pursuits.

Yes, why bother any longer with the maintenance of these patriotic activities?

BECAUSE MOST OF THE SOLDIERS HAVE NOT RETURNED. They need the same services abroad they needed before. They are in greater need than before of Red Cross Comforts, Y. M. C. A. and K. of C. Huts, Salvation Army doughnuts, the ministrations of the Jewish Welfare Board. They are like you, anxious to readjust themselves, only they are homesick abroad and still in the army, while you are at home. Picture your mental discontent. Put yourselves in their places and ask yourselves if they do not need your help

WAR AGENCIES NOT ENOUGH

The great war organizations are not done. They still ask us for money to minister to the soldiers. The men who have been directing the collections of funds in our county for the maintenance of these war organizations have their eyes on the situation, and they will be the first to inform you when your payments are no longer needed.

BUT YOUR OBLIGATIONS ARE NOT ONLY TO THE SOLDIERS. DO YOU KNOW THAT THE RED TRAIL OF WAR HAS LEFT ALMOST 4,000,-000 HALF STARVED, NEARLY NAKED REFU-GEES IN WESTERN ASIA AND EASTERN EUROPE, CHILDREN WITHOUT PARENTS, MOTHERS DEAD FROM ABUSE, FATHERS TORN AND DISTORTED WITH TORTURE?

America has pledged \$30,000,000 to help them out. It pledged \$30,000,000 because America, confronted with such suffering, could do no less. What are your troubles compared to the cruelly driven Armenians? Your payment is needed NOW for them. The greatest power of all, the power of life and death, is in your keeping.

And that is not all. There are the families of many of those homesick soldiers overseas. The Home Service work of the Red Cross deals with them. To keep these families healthy, well fed, comfortable and happy pending the fighting man's return, is our duty.

WE MUST CARRY ON.

The trustees of our county war work organization are just as anxious as you are to discontinue its war work. More so, mayhap, for they have devoted and are devoting valuable time and effort to this work, and their only reward is the knowledge that they are doing a great good for their community and for their county and its fighting men. They will be the first to discontinue the work when the time is ripe and—when the funds are no longer needed. Until that time comes, do not hesitate to give to your utmost.

Demands by the national societies and international relief committees are heavier today than at any time previously. We must send large sums away at once.

WON'T YOU MAKE A SPECIAL EFFORT TO PAY YOUR FULL SHARE NOW?

Let's all get together and clean up our shares just as our troops cleaned up the Germans.

Let's get it over with! That's the slogan.

Will you help?

Send in your money JUST AS SOON AS YOU POSSIBLY CAN to the county patriotic headquarters.

Women of Michigan This is Your Affair!

IF THERE WAS ONE QUESTION on which women have always wished they could register their convictions it was on this one of the saloon.

IN APRIL SEVENIH the enfranchised women of Michigan will enjoy that golden opportunity— and for that reason we are absolutely certain not only of success, but of a vote so overwhelmingly against this last forlorn effort of the "Wets" as to end the matter for all time.

FOR WE CONFIDENTLY expect that the most intelligent vote ever cast in this state will then be recorded the intelligent clear-seeing decision of the women added to that of the men who previously voted this same question down.
