100 per cent more and as each community council of state, county and city scope are provided for in a bill introduced by Senator Baker. The state council would be trustee of the public health fund and have charge of all state-wide activities for the raising of funds or other aid for welfare work of all kinds.

Another long drawn out argument in the house was caused by the Moore bill to regulate the sale of health with a state health commission. The bill was introduced by the committee on health and was called for the name of the health commissioner by the committee of five.
