At a regular adjourned meeting of the Village Commission held in the City Hall of the Village of Birmingham, Oakland County, Michigan, on Monday, April 28, 1919.

Present: President T. L. Luscomb; Commissioners Schlaack, Quarton; Clerk, Thos. E. Harris.

Absent: None.

A quorum being present, the Commission was called to order at 7:30 p. m.

Moved by Commissioner Quarton and supported by Commissioner Schlaack, that the following resolution be adopted:

Resolved, That this Commission hereby determines that it is expedient and advisable that an eight-inch lateral sanitary sewer with necessary man-holes and house connections be constructed beneath the surface of Purdy Street in the Village of Birmingham, from a point in said street where the center line of George St., if extended, will intersect said Purdy Street, thence running southerly in said Purdy Street in substantially the center thereof, a distance of 800 feet and to the main trunk sewer already constructed in Frank Street and now crossing said Purdy Street. Be it

Resolved, That all of the lots and parcels of land fronting and abutting on each side of Purdy Street from the south line of George Street to the north line of Frank Street, will be benefitted by such improvement, and shall constitute a special assessment district on which a special assessment shall be levied to defray a portion of the expense of constructing said sewer, house connections and manholes, and, be it further

Resolved, That the Village Manager shall cause to be prepared and submitted to this Commission for its approval a map and diagrams of said lands and premises constituting said special assessment district showing the boundaries and divisions of all lands and premises therein, the proposed route and location of the sewer through the same with its depth, grade, dimensions and all details, together with an estimate of the cost and expense of constructing said sewer, manholes, house connections and its approaches, and, be it further

Resolved, That this Commission shall meet at the City Hall in the Village of Birmingham, Monday, May 12, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor.

Roll call—Yeas, 3; nays, 0. Motion carried.

Moved by Commissioner Quarton, seconded by Commissioner Schlaack, that the following resolution be adopted:

Whereas, Pursuant to instructions from this Commission the Village Manager has caused to be prepared and has delivered to this Commission maps, diagrams and estimates of cost of the construction of an eight-inch lateral sanitary sewer with necessary manholes and house connections to be constructed beneath the surface of Purdy Street, in the Village of Birmingham, from a point in said street where the center line of George St., if extended, will intersect said Purdy Street, thence running southerly in said Purdy Street in substantially the center thereof, a distance of 800 feet and to the main trunk sewer already constructed in Frank street and now crossing said Purdy Street, and

Whereas, Said maps, diagrams and estimates have been filed in the office of the Village Clerk and are now open to inspection by the public at any time during business hours up to and including Monday, May 12, 1919, and that notice thereof be given as required by law.

Roll call—Yeas, 3; nays, 0. Motion carried.

Notice of special assessment for construction of lateral sanitary sewer in Purdy Street.

Notice is hereby given to the property owners of the Village of Birmingham, Oakland county, Michigan, that the Village Commission of Birmingham will meet at the City Hall in said Village on Monday, the 12th day of May, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor as described and recited in the foregoing resolution, and that maps and diagrams of said improvement, together with the estimated cost and expense thereof, are now on file in the office of the Village Clerk and are now open to inspection by the public at any time during business hours up to and including the 12th day of May, 1919, to order of the Village Commission.

Dated, April 28, 1919.

THOMAS E. HARRIS,
Village Clerk.

Moved by Commissioner Schlaack and supported by Commissioner Quartin that the following resolution be adopted:

Resolved, That this Commission hereby determines that it is expedient and advisable that an eight-inch lateral sanitary sewer with necessary many holes and house connections be constructed beneath the surface of Brown street in the Village of Birmingham, from a point in the center of said street situated easterly 132 feet from the center of Pierce street, thence running easterly in substantially the center of said Brown street a distance of 600 feet and to the sanitary sewer already constructed in Woodward avenue. Be it further

Resolved, That all the lots and parcels of land fronting and abutting on each side of Brown street from the west line of Woodward avenue to the east line of Pierce street (except lot Tabor Plat and the westerly portion of lot 8 of the William Brown Addition owned by C. W. Crawford), will be benefitted by such improvement and shall constitute a special assessment district on which a special assessment will be levied to defray a portion of the expense of constructing said sewer, house connections and manholes, and, be it further

Resolved, That the Village of Birmingham shall bear one-sixth of the entire cost of the proposed improvement, and that the lots and parcels of land embraced in said special assessment district shall be assessed for five-sixths of the entire cost of the proposed improvement, according to benefits derived therefrom, and that such assessment shall be divided into five installments, and, be it further

Resolved, That the Village Manager shall cause to be prepared and submitted to this commission for its approval a map and diagram of said lands and premises constituting said special assessment district showing the boundaries and divisions of all lands and premises therein, the proposed route and location of the sewer through the same with its depth, grade, dimensions and all details, together with an estimate of the cost and expense of constructing said sewer, manholes, house connections and its approaches, and, be it further

Resolved, That this commission shall meet at the city hall in the Village of Birmingham, Monday, May 12, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor.

Roll call—Yeas, 3; nays, 0. Motion carried.

Moved by Commissioner Schlaack, seconded by Commissioner Quarton, that the following resolution be adopted:

Whereas, Pursuant to instructions from this commission the Village Manager has caused to be prepared and has delivered to this commission maps, diagrams and estimates of cost of the construction of an eight-inch lateral sanitary sewer with necessary manholes and house connections to be constructed beneath the surface of Brown street in the Village of Birmingham, from a point in the center of said street situated easterly 132 feet from the center of Pierce street, thence running easterly in substantially the center of said Brown street a distance of 600 feet and to the sanitary sewer already constructed in Woodward avenue, and

Whereas, Said maps, diagrams and estimates be filed in the office of the village clerk and be open to inspection by the public at any time during business hours up to and including Monday, May 12, 1919, and that notice thereof be given as required by law.

Roll call—Yeas, 3; nays, 0.

Notice of special assessment for construction of lateral sanitary sewer in Brown street.

Notice is hereby given to the property owners of the Village of Birmingham, Oakland County, Michigan, that the Village Commission of Birmingham will meet at the City Hall in said Village on Monday, the 12th day of May, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor as described and recited in the foregoing resolution, and that maps and diagrams of said improvement, together with the estimated cost and expense thereof, are now open to inspection by the public at any time during business hours up to and including the 12th day of May, 1919, by order of the Village Commission.

Dated, April 28, 1919.

THOMAS E. HARRIS,
Village Clerk.

Moved by Commissioner Quarton, seconded by Commissioner Luscomb, that the following resolution be adopted:

Resolved, That this Commission hereby determine that it is expedient and advisable that an eight-inch lateral sanitary sewer with necessary manholes and house connections be constructed beneath the surface of Maple Avenue West in the Village of Birmingham from a point in the center of said street situated 30 feet west of the westerly line of Bates Street, thence westerly and in substantially the center of Maple Avenue West to the easterly line of Southfield Avenue, thence following the line of said Maple Avenue somewhat south of the center line thereof to the Village limits, a distance of 2,150 feet. Be it further

Resolved, That the Village Manager shall cause to be prepared and submitted to this commission for its approval a map and diagram of said lands and premises constituting said special assessment district showing the boundaries and divisions of all lands and premises therein, the proposed route and location of the sewer through the same with its depth, grade, dimensions and all details, together with an estimate of the cost and expense of constructing said sewer, manholes, house connections and its approaches, and, be it further

Resolved, That this commission shall meet at the city hall in the Village of Birmingham, Monday, May 12, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor.

Roll call—Yeas, 3; nays, 0. Motion carried.

Moved by Commissioner Quarton, seconded by Commissioner Schlaack, that the following resolution be adopted:

Whereas, Pursuant to instructions from this commission the village manager has caused to be prepared and has delivered to the commission maps, diagrams and estimates of cost of the construction of an eight-inch lateral sanitary sewer with necessary manholes, and house connections to be constructed beneath the surface of Maple Avenue West in the Village of Birmingham, from a point in said street where the center line of Maple street will intersect said Pierce street, and in substantially the center thereof a distance of 1243 feet, and to connect with the portion of sewer already constructed in said Pierce street.

Resolved, That said maps, diagrams and estimates be filed in the office of the Village Clerk and be open to inspection by the public at any time during business hours up to and including May 12, 1919, and that notice thereof be given as required by law.

Roll call—Yeas, 3; nays, 0. Motion carried.

Notice of special assessment for construction of Lateral Sanitary sewer in Pierce Street.

Notice is hereby given to the property owners of the Village of Birmingham, Oakland County, Michigan, that the Village Commission of Birmingham will meet at the City Hall in said village on Monday, the 12th day of May, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor as described and recited in the foregoing resolution, and that maps and diagrams of said improvement, together with the estimated cost and expense thereof, are now on file in the office of the village clerk and are open to inspection by the public at any time during business hours up to and including the 12th day of May, 1919, by order of the Village Commission.

Dated, April 28, 1919.

THOMAS E. HARRIS,
Village Clerk.

At a regular adjourned meeting of the Village Commission held in the City Hall of the Village of Birmingham, Oakland County, Michigan, on Monday, April 28, 1919.

Present: President T. L. Luscomb; Commissioners, Schlaack, Quarton; Clerk Thos. E. Harris.

Absent: None.

A quorum being present, the Commission was called to order at 7:30 p. m.

Moved by Commissioner Quarton, and supported by Commissioner Schlaack, that the following resolution be adopted:

Resolved, That this Commission hereby determine that it is expedient and advisable that an eight-inch lateral sanitary sewer with necessary manholes and house connections be constructed beneath the surface of Pierce street in the Village of Birmingham, from a point in said street where the center of Maple street will intersect said Pierce street, and in substantially the center thereof, to connect with portion of sewer already constructed in said Pierce street, and in substantially the center thereof a distance of 1,243 feet, and, be it further

Resolved, That all of the lots and parcels of land fronting and abutting on each side of Pierce street from the north line of Maple Avenue to the north line of Frank street, will be benefitted by such improvement, and shall constitute a special assessment district on which a special assessment shall be levied to defray a portion of the expense of constructing said sewer, house connections and manholes, and, be it further

Resolved, That the Village of Birmingham shall bear one-sixth of the entire cost of the proposed improvement, and that the lots and parcels of land embraced in said special assessment district shall be assessed for five-sixths of the entire cost of the proposed improvement, according to benefits derived therefrom, and that such assessment shall be divided into five installments, and, be it further

Resolved, That the Village Manager shall cause to be prepared and submitted to this Commission for its approval a map and diagram of said lands and premises constituting said special assessment district showing the boundaries and divisions of all lands and premises therein, the proposed route and location of the sewer through the same with its depth, grade, dimensions and all details, together with an estimate of the cost and expense of constructing said sewer, manholes, house connections and its approaches, and, be it further

Resolved, That this Commission shall meet at the City Hall in the Village of Birmingham, Monday, May 12, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor.

Roll call—Yeas, 3; nays, 0. Motion carried.

Notice of special assessment for construction of Lateral Sanitary Sewer in Maple Avenue West.

Notice is hereby given to the property owners of the Village of Birmingham, Oakland County, Michigan, that the Village Commission of Birmingham will meet at the City Hall in said village on Monday, the 12th day of May, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor as described and recited in the foregoing resolution, and that maps and diagrams of said improvement, together with the estimated cost and expense thereof, are now on file in the office of the village clerk and are open to inspection by the public at any time during business hours up to and including the 12th day of May, 1919, by order of the Village Commission.

Dated, April 28, 1919.

THOMAS E. HARRIS,
Village Clerk.

At a Regular Adjourned meeting of the Village Commission held in the City Hall of the Village of Birmingham, Oakland County, Michigan, on Monday, April 28, 1919.

Present: President T. L. Luscomb; Commissioners Schlaack, Quarton; Clerk Thos. E. Harris.

Absent: None.

A quorum being present, the Commission was called to order at 7:30 p. m.

Moved by Commissioner Schlaack and supported by Commissioner Quarton that the following resolution be adopted:

Resolved, That this Commission hereby determines that it is expedient and advisable that an eight inch lateral sanitary sewer with necessary man holes and house connections be constructed beneath the surface of Commonwealth Avenue in the Village of Birmingham, from a point in said street where the north line of Townsend Avenue, if extended, will intersect said Southfield Avenue, thence running southerly in said Southfield Avenue, Westerly of the center line thereof, a distance of 1,950 feet and to the main trunk sewer already constructed and now crossing said Southfield Avenue. Be it

Resolved, That all of the lots and parcels of land fronting and abutting on each side of Southfield Avenue from the intersection of the north line of Townsend Avenue, if extended, across said Southfield Avenue, southerly to the line of main trunk sewer already constructed and now crossing said Southfield Avenue, will be benefitted by such improvement, and shall constitute a special assessment district on which a special assessment shall be levied to defray a portion of the expense of constructing said sewer, house connections and manholes, and be it further

Resolved, That the Village of Birmingham shall bear 1-6 of the entire cost of the proposed improvement, and that the lots and parcels of land embraced in said special assessment district shall be assessed for 5-6 of the entire cost of the proposed improvement, according to benefits derived therefrom, and that such assessment shall be divided into five installments, and be it further

Resolved, That the Village Manager shall cause to be prepared and submitted to this commission for its approval a map and diagram of said lands and premises constituting said special assessment district showing the boundaries and divisions of all lands and premises therein, the proposed route and location of the sewer through the same with its depth, grade, dimensions and all details, together with an estimate of the cost and expense of constructing said sewer, manholes, house connections and its approaches, and be it further

Resolved, That this Commission shall meet at the City Hall in the Village of Birmingham, Monday, May 12th, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor.

Roll call—Yeas, 3; nays, 0. Motion carried.

Moved by Commissioner Schlaack, seconded by Commissioner Quarton, that the following resolution be adopted:

Whereas, Pursuant to instructions from this commission the Village Manager has caused to be prepared and has delivered to the Commission maps, diagrams and estimates of cost of the construction of an eight-inch lateral sanitary sewer with necessary manholes and house connections to be constructed beneath the surface of Southfield Avenue, in the Village of Birmingham, from a point in the center of said street situated 30 feet west of the westerly line of Bates Street, thence westerly and in substantially the center of Maple Avenue West to the easterly line of Southfield Avenue, thence following the line of said Maple Avenue somewhat south of the center line thereof to the Village limits, a distance of 2,150 feet, and

Whereas, Said maps, diagrams and estimates have been filed in the office of the Village Clerk and are open to inspection by the public at any time during business hours up to and including Monday, May 12, 1919, and

Roll call—Yeas, 3; nays, 0.

Notice of special assessment for construction of Lateral Sanitary Sewer in Maple Avenue West.

Notice is hereby given to the property owners of the Village of Birmingham, Oakland County, Michigan, that the Village Commission of Birmingham will meet at the City Hall in said village on Monday, the 12th day of May, 1919, at 7:30 o'clock p. m., to hear suggestions and objections to the proposed improvement and the method of assessment therefor as described and recited in the foregoing resolution, and that maps and diagrams of said improvement, together with the estimated cost and expense thereof, are now on file in the office of the Village Clerk and are open to inspection by the public at any time during business hours up to and including the 12th day of May, 1919, by order of the Village Commission.

Dated, April 28, 1919.

THOMAS E. HARRIS,
Village Clerk.

Mrs. Grace Leonard had seven Easter guests at her home from Detroit.

METHODISTS BEGIN BIG DRIVE MAY 18

THOUSANDS ARE READY IN THIS STATE FOR $105,000,000 CAMPAIGN.

PLAN OF C. S. WARD ADOPTED

Director of Vast Organization Has Record of Raising More Money For Charity Than any Man in World.

On May 18 Methodism of the world will open its campaign for $105,000,000 in seven days. Thousands upon thousands of Methodist ministers and lay men have been mobilized and will jump into the fight at the "zero" hour. Ten thousand recruits will go "over the top" in Michigan and an intensive financial campaign, such as has never been known in the history of the church, will be waged from the shores of Lake Superior to the Ohio and Indiana boundry lines.

The Detroit area, which includes the entire state, has been given an annual quota of $1,450,540 for the ensuing five years. This money is to be used in the greatest program of a religion of service the world has ever known. It will be used in meeting the challenge

CHARLES S. WARD

which church leaders say has been laid at the door of Methodism.

A nationwide special campaign or galization has been built up under the direction of Charles S. Ward, the man who originated the "Ward plan" of raising money by carefully organized campaigns, now called "drives." Mr. Ward is recognized as the man who has raised more money for charity than any individual in the world.

This wizard of financial campaigns was born in Vermont, 60 years ago. He has been a Y. M. C. A. worker since he graduated from Dartmouth in 1881. Mr. Ward is of particular interest to Michigan, as a few years ago he was in charge of the Y. M. C. A. at Grand Rapids and still retains his membership in the First Methodist church of that city.

C. H. Dreshman, a Harrisburg, Pa., man who has been associated with Mr. Ward in most of his great drives, has been sent to Detroit, by the national campaign manager, to take charge of the intensive financial drive in this area.

TROUSSEAU FINERY AID TO CENTENARY

Strange Contributions Are Made To Swell Methodist Fund.

Many strange tales are coming from every corner of the globe relating the unique and extraordinary methods being used by Methodists to obtain money for the Centenary fund of $105,000,000 to be raised the week of May 18. That the spirit of this greatest of Christian movements known to the world, is gripping the hearts of men and women of every land cannot be doubted.

Hindu women are giving the rings from their ears, fingers and toes. From the jungles of Africa, rice, beads, palm nuts, strange birds and beasts are being sent out to the coasts to be turned into money for the Centenary.

A woman of Korea took all of her wedding finery and native jewelry, which Korean women treasure a lifetime, to the nearest mission as an offering.

A farmer in the "Thumb" district of Michigan is trapping skunks and selling their pelts to make up his "quota."

Three Roman Catholics in New York state have contributed to date $675 and have announced they are going to do more.

The owner of Marie of Sarnia, prize imported Guernsey cow of a Wisconsin dairy farm has dedicated the ribbon winning animal's milk. It means a net donation of $200 a year which Marie of Sarnia will give.
