

The Eccentric

BIRMINGHAM

50 CENTS PER YEAR IN ADVANCE

WILHELM & MITCHELL, Publishers

Entered as second-class matter in the postoffice at Birmingham, Michigan.

Doctor A. W. Newitt, Birmingham's new physician, has moved his office from the State Bank building to the new Field building, West Maple Street.

The I. O. O. F. No. 547 will give a 6 mile road race to support its building, Monday, May 29, for Birmingham Oddfellows, Rebekahs and their families. A delightful program has been prepared.

Our justice court is busy fineing autoists and male and female are dealt with severely according to law. If you need more you need pay the price and don't grumble. As Louis used to say, "Let the good work go on."

Charles Randall, ranked in one of the Eccentric's first of the week, looking extra fine in his military uniform. The next day he was in civilian garb and on his old job in the First National Bank. Welcome home, Charles. May you live long and prosper.

Mr. and Mrs. S. C. Glavin are now comfortably settled in their own summer home at Drayton Plains, where they will be pleased to entertain Birmingham friends at any and all times that they may see fit to drop in. In fact, their home is the "Dew Drop Inn."

Attention R. A. M. 33. Special Convocation of Birmingham Chapter No. 1, A. M. Monday night, May 29, 1919. Companions, there is much work on hand and crowding the officers to the limit, and it is highly necessary that every officer be in his place at 7:30 on time, in order to finish up before the hot weather. James H. Terry, H. P. A. Bigelow, Secretary.

Spot Alvin Carrin is home from the European shores, and a fine looking lad he is. Came all through his excursion without a scratch, looking happy and is happy. Other sailor boys home again and all safe and sound. Guy Miller, Mr. Schanlock. Both are in fine health and none the worse for their soldier life. They all deserve medals.

When you see a pretty sailor boy running round the streets of this backwash, just take your hat off to Captain, who is off on a "Dew Drop" "Dew Drop." "Did you see? Gosh darn it, if I had known how it would come out I would have drafted and now I'd be home to stay. Never saw the boy. Go to it and in the end you will see these honors all yours. To a frazzle wishing they too, were in the navy of the great U. S. A.

On a surprise party for Mrs. Elizabeth Haldwin was given one day recently when her daughter, Mrs. Miss Mills, came down from Pontiac, attended by Mrs. Lillie Barr and Mrs. Shaw, all of Pontiac. The Hutchinson home was taken by the doctors who in due time spread the tidings that might have been called evener rigid truth, a banquet. Miss Tilla Walker of our town was present and all went as the original proposition to a happy finish. All this jollity was to celebrate a birthday anniversary that Mrs. Mina Mills claimed for her. No, we did not see the number of years it commemorated.

Miss Robert "Bob" Hutchinson is a "Packer" taking the lots of Missouri bull dog. A lady visitor from town brought him along all the way from Mo. This was of the bull species and Robert Hutchinson is the third Michigan person that the dog had the pleasure of biting. Two good big bites in the log was Bob's portion. The wound was caused by Dr. Raymark, the dog he killed and his head and other furniture sent to Ann Arbor, Mich., for examination. The result was that our Robert had to go to the University city for treatment which goes to show that the canine had traces of rabies. Our best wishes for Robert to come through all right we hope will be granted.

Having never recovered her health after a stroke of paralysis suffered three months ago, Mrs. Helen Hulbert, 76, mother of Probate Judge Henry C. Hulbert, of Detroit, died Sunday last, at her home at Southfield avenue and Brown street. Complications incidental to advanced age were contributory causes of her death. Mrs. Hulbert had lived here for years and was well known. Survivors are eight children, Henry C. of Detroit; Miss Maude, at home; Miss Mary, of Detroit; Ed., of Milwaukee; Lawrence and Robert, of Detroit; Mr. Helen Kraft, of Birmingham; Mrs. Anna Thornbury, of Laramie, Wyoming. The funeral will be held at St. James' Episcopal church here tomorrow afternoon at 2 o'clock, and the remains will be taken to Detroit.

Monday it seemed just like a State Fair all cars towards the city were loaded to the gunwales. Standing in a premium. The Red Arrow boys had the day all to themselves, and night too. A big parade of stroped cars from running downtown and a big auto truck parade also helped to make a day for Detroit that will not soon be forgotten. The parade of citizens coming with a big day among those mentioned. Dancing in the evening on the boulevards with plenty of bands for all who try the light fantastic was promised and it was filled too. All soldier boys who had no girl was promptly supplied with one. Free theaters, free rides to Belle Isle, and pretty near free everything helped the boys enjoy the day. Red Arrow day will never be forgotten.

It was moved by Commissioner Schlaack and supported by Commissioner Quinlan, that the following preamble and resolution be adopted. Whereas Monday, May 12, 1919, at 7:30 o'clock p. m. was held before us, at this commission as the time to the meeting to hear suggestions and objections to the construction of an eight inch lateral sanitary sewer beneath the surface of Pierce street from a point in said street where the center line of Maple street will intersect said Pierce street, southward, and in substantially the center thereof a distance of 124 1/2 feet and to connect with that portion of sewer already constructed in said Pierce street, 5/8 of the entire expense of which shall be paid by special assessment against the lands to be benefited by such improvement and constituting special assessment district for sanitary sewers No. 8 according to the map and diagram thereof now on file in the office of Village Clerk, and the estimated cost of such improvement, which is also on file, Whereas due notice of said meeting has been given in the manner required by law to each person within such assessment district owning property therein for special assessment for such improvement and the Commission has met on this 12th day of May, 1919, at 7:30 o'clock p. m. for the purpose of hearing objections and suggestions to the proposed improvement and he it further Resolved that an eight inch lateral sanitary sewer shall be constructed beneath the surface of Pierce street from a point in said street where the center line of Maple street will intersect said Pierce street southward, and in substantially the center thereof a distance of 124 1/2 feet and to connect with that portion of sewer already constructed in said Pierce street, and be it further Resolved that the lands and parcels of lands fronting and abutting on said Pierce street shall constitute a special assessment district to be known as special assessment district for sanitary sewers No. 8 upon which shall be levied and spread a special assessment according to benefits for 5/8 of the entire expense of said improvement amounting to \$2857.33 which assessment shall be payable in five equal annual installments, the same to bear interest at the rate of 6% per annum from the date of conformation thereof, and be it further Resolved that 1/6 of the entire expense of said improvement amounting to \$476.22 shall be borne by the Village of Birmingham and be paid through the General fund. Be it further Resolved that the assessor of said Village shall be and he is hereby authorized to make a special assessment according to benefits on the taxable lands and premises constituting said special assessment district for sanitary sewer No. 8 for the sum of \$2857.33 and to report the same to this Commission with the date of the full collection, to-wit: 3 days or Motion carried.

Statement for First National Bank was received too late for this issue. Look out for it next week.

The Liberty Garage is still another business proposition added to Birmingham's growing and steadily increasing expansion. The latest candidates for public favor are L. D. Woodworth and Wm. J. Thornton, proprietors of the new Liberty Garage, opposite the Postoffice on Woodward avenue. Both gentlemen are many years old in the auto game repairing and all. Experience is a good thing to have in this line. They have a big garage of 4000 sq. feet and repair all makes of autos. Battery service is their final name.

Frank Fall, Jr., was in Justice
Lacey's court this Thursday morn-
ing on a complaint of Marshal Duck-
ering for violating the automobile or-
dinance. This was by no means the
first offense of the defendant on this
charge and after a warning that a
repetition would mean a jail sentence
he was required to pay a \$10 fine.
