

BIG SCHOOL ATTENDANCE

OPENING TUESDAY SHOWS RECORD ENROLLMENT—PRACTICE BY FOOTBALL SQUAD STARTS

Birmingham's public schools opened Tuesday with the largest enrollment in the history of the community. The Junior and Senior high schools had 285 pupils, and the opening of the Hill school, 280, and the Barton school, 200, were provided for all who were attending, but it is probable that another teacher will have to be hired for grades four and five which are not yet opened.

All the members of the teaching force except Mr. Allen were on hand and it is expected that they are looking forward to an enjoyable year's work.

Inquiries have been heard from some local residents as to why a case from Birmingham public schools was not entered in the sewing competition by the State Fair. The Sewing Contest was held at the fair and a representative of the Birmingham school system was invited to participate. It was explained that the girls of the local sewing club were not ready to enter their work in the contest until the State Fair had opened. The girls of the local sewing club were not ready to enter their work in the contest until the State Fair had opened.
