STOMACH TROUBLE AND CONSTIPATION ENDED

Suffered So He Couldn't Work for a Year, but Mr. McCormick Was Cured Promptly.

"I had stomach trouble and constipation for five years. One year of this time I was unable to work, suffering untold agony. I doctored with some of the best physicians, also took many proprietary medicines, but could not find permanent relief. Finally a friend recommended Milks Emulsion. The first few doses relieved me greatly, and three bottles of it effected a permanent cure."—C. A. McCormick, Anderson, Ind.

Mr. McCormick is only one of many hundreds who have outlived future fear years and then found that Milks Emulsion gives blessed relief and real, lasting benefit. It costs nothing to try.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy and natural bowel action, doing away with all need of pills and physics. AS A TONIC

Milwaukee, Wis.—"For the last twenty years I have used Dr. Pierce's Golden Medical Discovery at times, as a general tonic, with excellent results. One bottle in the spring and one in the fall are usually sufficient. It has given me added strength and endurance and has greatly aided me in following the strenuous life of a freight handler. I have also used Dr. Pierce's Pleasant Pellets very beneficially and find in action."

"I have been though Dr. Pierce's Invalids' Hotel and Surgical Institute in Buffalo, N. Y., and have found everything as represented. The gentlemen in charge of their buildings are genuine."—JOHN W. McLAIN, 155 Wisconsin St.

COUGH CURED

Mayville, Mich.—"I feel it my duty to write this. Four months ago I was a very sick woman. I could not do a thing, and but had to sit up in my chair night and day, had an awful cough. I had two doctors and they said I could not get well until spring. But I got one of Dr. Pierce's Golden Medical Discovery and began to take it and I then wrote Dr. Pierce for advice, and, thank the Lord and Dr. Pierce's medicine I am cured of the cough. In one week after I started to take the medicine I began to get better and the cough soon disappeared. I had gone down to about one hundred and I now weigh and now tip the scales at one hundred and sixty-six and one-half pounds. I do not the need of any more medicine but I shall always keep the 'Discovery' in the house."—MRS. C. B. GLAZIER.

CHAPTER VIII.

—9—

For thirty days Hilliard had lived to the eulogies of his employers. The same belief reported that Dicky Morgan, given time and opportunity, would have made the most of his intrinsic worth as a man. The proof of him for Dicky's first summer in Hallsby's office had caused considerable discussion. Dicky had abused his opportunities, and to his introspective mind it seemed to be for the best that he should go to Palmer. Dicky had promised to do better there, and had promised to write. Hilliard had not heard from him, and had not written. He had been too busy. He had been too busy to write to anyone. He had been too busy to think of anything but his work. He had been too busy to remember that he had ever been anything but Hilliard. He had been too busy to remember that he had ever been anything but Hilliard.
