ASPIRIN—Its Uses

First Introduced by "Bayer" in the Year 1900

The name "Bayer" identifies the true, world famous Aspirin prescribed by physicians for nineteen years. The name "Bayer" means genuine Aspirin proved safe by millions of people.

In each unbroken package of "Bayer Tablets of Aspirin" you are told how to safely take this genuine Aspirin for Colds, Headache, Toothache, Earache, Neuralgia and Pain generally. Always say "Bayer" when buying Aspirin. Then look for the safety "Bayer Cross" on the package and on the tablets.

Handy tin boxes of twelve tablets cost but a few cents. Druggists also sell larger packages.

Oh, No! Nuttto Eat.

"May I have a nut?" asked the embarrassed Bobby at the party.

"But do you think you can crack it?" asked the hostess.

"Oh, no!" answered Bobby. "I could not eat any more and I want to drop it down Peter's neck."

DYES FROM VARIOUS SOURCES

Indian Squaw Lays Many Plants and Trees Under Contribution for Her Bright Coloring.

In making Indian dyes the scrapings of the inside bark and the dark of the willow produce a dark brown; in shaving down from the outside of red hallowed trees a bright red is obtained; the root of a tree is pounded and vegetable substances are put in to get a variety of coloring.

The season for gathering the roots for basketry material is during the months of August and September. These the squaws split and scrape with knives or bone and have the fine fibers for use.

When about to be used the material is soaked in water to soften it. Some five roots as splints are required for many weeks of weaving, and when they are free of soil and bark they are ready to be woven.

SALTS IF BACKACHY AND KIDNEYS HURT

Stop Eating Meat for a While if Your Bladder Is Troubling You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sluggish and weak. They complain, you feel a dull backache, the urine is cloudy, full of sediment, channels get irritated, obliging you to seek relief during the night; you suffer from dizzy headaches, nervousness, indigestion, sometimes rheumatic twinges, acidity, stomach sours, tongue coats and you are tempted to resort to a pill or liver tonic during the spring.

Either one pint of good, cider or plain vinegar should be added to each quart of water and taken a little at a time; this will flush the kidneys and stimulate them to activity, also to neutralize the acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a fine scour for regular meat eaters. It is inexpensive and cannot injure and makes delightful, effervescent lithia-water drink. Adv.

Talking from records from druggists who sell considerable of this remedy in the table, there is no question but that has been very successful in relieving these conditions, as much as the testimonials of Dr. Kilmer's Swamp-Root soon realized. It stands the highest for its remarkable record of cures.

An exchange pleasantly tells of one of the prominent late druggist customers, in an interview on the subject, said: "I have sold Swamp-Root for years and have no hesitancy in recommending it. It is purely vegetable, and its mild and healing effect is immediately realized. It is one of the few preparations that will bear the analysis and do the good claimed." Another druggist says: "I have sold Swamp-Root for years and have no hesitancy in recommending it. It is purely vegetable, and its mild and healing effect is immediately realized. It is one of the few preparations that will bear the analysis and do the good claimed." Another druggist says: "I have sold Swamp-Root for years and have no hesitancy in recommending it. It will be well for you to test the great preparation yourself by sending to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.
