# THE ECCENTRIC BIRMINGHAM GEORGE R AVERILL, Publishe

### USE YOUR BIRTH-RIGHT.

Two men—both remarkably well posted on village affairs—have qualified for the candidate in the coming election for a village president. On the first page letter from each of them—something that you should conscientiously read.

Many issues are before the Commission in order to insure our little community of all the conforts and conveniences of modern living—these things to be brought to us by the men who are entrusted with our village business.

are entrusted with our ymap-business. Every qualified voter in Bir-mingham will have a chance to show his choice at the election both—it is our American birth-right—this right of the ballot. There will be no room for "kicks" after election, on the part of anyone—except the mi-nority, perhaps—and so, in the best interests of Birmingham we urge that you find the time to vote on Sentember 15.
