VOTE FOR JOHN B. DOWNEY A Life Time of Experience For Sheriffs Force

announcing my candidacy Republican nomination of Sheriff of Oakland county, I wish to call the attention of voters to this outstanding fact in my career:

I have spent most of my life in work that prepares me directly to handle the duties of Oakland County Sheriff's office.

I am making no campaign promises as to the Sheriff's force. I am making but one promise, and that is to the people of the county. It is this:

If 1 am elected, 1 will enforce the law without fear or favor to anyone. No further platform, in my judgement, is necessary.

In 1918 I moved back to Oakland county, living at Orion. This, in brief, is my career, and I believe it fits me by experience for Sheriff of this great county. If these things count with you, your vote for me for Sheriff at the Republican primaries will help to put me there.
