SHOE REPAIRS YOU WERE NOT ASHAMED OF

are the kind you will get from Gardner's shoe shop. When we return a mended pair of shoes to you, they are ready and actually rebuilt, resoled and re-made. In these days of sky-high shoe prices, this means a big saving to you on several pairs.

Sea Serpents Menace

There are plenty of sea serpents, and of all snakes they are the most venomous. In tropical waters they are vastly numerous, especially in the Indian ocean, where they are often seen literally by hundreds, swimming at the surface of the water. They are six to eight feet long, very fierce and will commonly attack human beings. Their bodies are flat, and about half an inch thick by the lungs.
