

FELT MISERABLE; HAD AWFUL COLD

Needed a Good Tonic to Build Up Her Run-down System, Bring Back Her Appetite.

TOOK EARLE'S HYPO-COD

I suffered from most of a general tonic. I had an awful cold. I don't know whether it was the Flu or not, and was all run-down. I had a cough too and such a poor appetite that I felt miserable. I had Mrs. Watz, whose address is given below, also a statement from her of how she was quickly relieved.

I heard Earle's Hypo-cod was good, my daughter having used it and through its use it really built her up and done all for me that I expected. It gave me an appetite so I really enjoy my meals. I took it especially for my appetite and it all worked with it," continued Mrs. C. Watz, 207 Mason St., Detroit, Mich.

If you are suffering from a cold and cough, poor appetite and a general run-down condition, just drop at the drug store tonight, get a bottle of Earle's Hypo-cod in the famous orange color, and take that amount of more or less as you please. Read formula on the bottle that doctors, chemists and experts assert is good. Look for the name of naturally known Earle, and feel safe, which assures you of quality in its making.

Earle's Hypo-cod is sold by all good druggists. Adv.
