A GARDEN OF DIVINE THOUGHTS

George Rodgers Averill

That a bit of garden, down below the household...

Where the seeds of love for the love of God may flourish...

Where we can walk with Christ and feel Him always with us...

Where I know a lot of things that I could not know otherwise...

Where the love of God for the love of God is the only thing...

Where we can walk with Christ and feel Him always with us...

Where I know a lot of things that I could not know otherwise...

Where the love of God for the love of God is the only thing...

Where we can walk with Christ and feel Him always with us...

Roads Seem Pressed Flat By Wonderful New Triplex Springs. THE wonderful Triplex Springs of Overland 4 effect such a change in riding comfort that bad roads now seem to ride like good roads. Overland 4 has the steadiness of larger cars of long wheelbase, with the light weight, ease of control and low fuel and the expense of 100 inch wheelbase. Equipment, including Auto-Lite starting and lighting and three-speed transmission, is high class, in keeping with the general character of the car.
