Good Law for Germany.

The Dalbrueck law, which becomes effective in Germany early in 1914, provides for Germans residing in their allegiance to Germany while becoming citizens of the United States or any other country. In assuming the new citizenship a German subject forfeits his German citizenship and allegiance in Germany according to this law.

Our Bounden Duty.

Man's bounden duty is everywhere and in all things to forward the progress of humanity. The supreme effort is therefore to think, work, fight, suffer, where our lot lies, not for ourselves but others, for the victory of good over evil.—Machtig.

Learned Her Lesson.

A friend of ours was a collector for a hinge. His first attempt was in the home of seventeen pretty girls in the neighbors. He rang the doorbell and told her that he must not accept pennies any more. So the next day when one of the neighbors offered him a penny she said: "I can't give you pennies, I'm saving them for Miss Dimes."—Exchange.

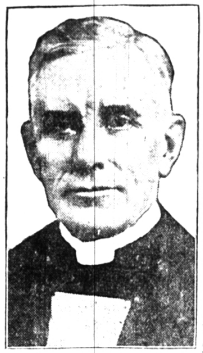
CHURCH STRATEGIST URGES UNITED DRIVE



Rt. Rev. Arthur S. Lloyd, D. D.

Bishop Arthur Selden Lloyd, president of the Episcopal Board of Missions, heads one of the three general organizations of the Episcopal church most interested in its nation-wide campaign. Bishop Lloyd was chairman of the organization which successfully presented to the Episcopal convention the idea of a nation-wide campaign to expand all its activities—missions, religious education and social service.

As head of the Board of Missions, Bishop Lloyd advocated the strategy of a general advance in the whole mission field, at home and abroad, rather than a series of separate sorties on the various fronts. To carry the ideals of Americanism and Christianity to the greatest numbers at the same time the church's nation-wide campaign was launched to obtain the men, women and money for the work.

Bishop Lloyd was born in Mount Ida, Va., in 1857. He was consecrated a bishop in 1900. In 1910 he was elected president of the Episcopal Board of Missions, heading one of the most important, if not the most important, general body of the Episcopal church.
