

INDIAN RUINS of OAXACA

Sculpture at Monte Albán, Oaxaca.

IN HUNDREDS of places throughout the state of Oaxaca, Mexico, are to be found what the natives call "Pueblos Viejos" (old villages). Some of these are the ruins of the great cities of the Aztecs, and others are the ruins of the great cities of the Incas. In these ruins traces can be seen of the great cities of the Aztecs, Incas, Mayas, Olmecs, Mixtecos, and others. In some places the ruins are so well preserved that they are still used as places of worship and for other purposes.

Among the ruins well known on account of their size and importance are the ruins of Monte Albán, Oaxaca, and of Teotihuacán, Mexico. The ruins of Monte Albán are the best preserved of any of the ruins of the Aztecs. They are situated on a hill, and the ruins are so well preserved that they are still used as places of worship and for other purposes.

Features of Monte Albán. The original name of this ruin was Ixcapán, and it was later called by the Mexicans "Monte," which means "the place of the dead." The place is now in the center of the state of Oaxaca, and the ruins are so well preserved that they are still used as places of worship and for other purposes.
