Fordson

Farm Tractor

A Fordson on your farm means quicker work—better work—easier work. You can do more work in a day with the Fordson, and it is easier for you. Get more money from the farm as well.

The Fordson is a product of the genius of Henry Ford. He was born on a farm, and he now lives on a farm, cultivating more than 17,6 30 arese every year. He knows the farm problems and he built the Fordson to help solve these problems in the easiest way; in a money-making way. Henry Ford & Son build one type of tractor. They have built this one tractor and have built it weel.

The Fordson has more power per pound weight than any other tracter manufactured. It is a universal utility for the farm. Like many, and it is your servant during the entire year.

Only a limited number of Fordson tractors are allot-ed this territory, and the demand is greater than the sumbly. Orders are being filled in rotation. Order you. — now.
