The Girl at Central

ago, near Flint, Michigan, in a fire that threatened a huge leave f p<sub>a</sub>:ty, a brave telephone operator remained at her post seeving their until her switchboard was put out of commission and her chosen at all these sections.

only one of hundreds of cases that are on record who is operations a initiative, saved entire communities from burning, flood, see by calling all available help from surrounding districts.

"It is the post of the Telephone Company is noturally very post operators proud of their heroitan and unfalled in generate by It's proposition to the company of their post of their posts of their posts of their posts of their posts in the face of danger, epidemics and storms.

It is this kind of devotion to service that has given telephone operations, one special place in the hall of finne, but a prominent place the hearts of the community they serve. For your telephone aperator, highly trained, as she must be, a wonderful degree in her work and unfaitering in her traditional or service, is, after all, just an ordinary girl.

In most cases she is a home girl and in every case, we knest protected girl in any kind of work in the city.

We want to tell you many king about your telephone op-motherly case that is token of her during working learns, of it taken of her health in her work. We want everyone to kno-phone girl finds her work so inspirational, personal and servi-opportunities and her happiness in her work that gis so far it telephone service better.

Now, we are introducing your telephone girl to you, because a this closer acquaintanceship you will find much that is he dations with the most personal service you command—your te
