Judge's Sons Adopt "Moonshine" Methods

San Rafael, Cal — Little pitchers have big ears, as is well known. And Justice of the Peace H. de la Montanya knows that his sons. Lloyd and Herbert, 14 and 12 years old, are such good listeners that they almost learned enough the other night to kill them.

I makes no doubt but what do world come ter a end some time of their waste from the santiment of the santiment

HIT INFLUENZA AT ITS SOURCE

Dr. Simon Flexner Proposes Combating Dread Disease at Its Origin.

EASTERN EUROPE PLAGUE SPOT

Many Recorded Epidemics Shown to Have Emanated From That Area —Disease Claims More Victims Than European War.

New York—According to Dr. Simon Flezuer, Director of Laboratories of the Rockefelier Institute for Medical Research, further recurrences of the influence spidentic can be prevented only by wiping out the disease at its source. In a recent address before the Congress of American Physicians and Surgeona, inter-published by the American Medical Association, he outlined different state of these through its different state of these through its different state of these through its different states.

the path of the disease through its different stages.
