## LIVE STOCK

### HIGH-CLASS HORSES NEEDED

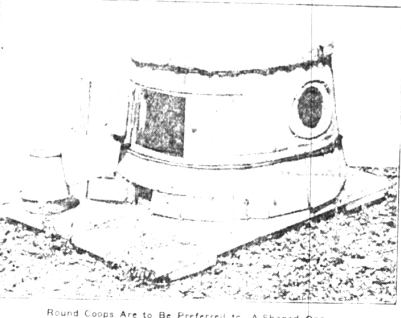

No Provision Made for Future by Many Farmers Who Are Using Up Their Work Stock.

...The current shortage of high-class horses is a serious problem for farmers. Many farmers are using up their work stock, and there is no provision made for the future. This situation is likely to lead to a further shortage of horses in the coming years.

General Gates, a Morgan Stallion in Use at the Morgan Farm, Maple Lake, Mich.

## USE OF CONVENIENT HOME-MADE DEVICES SWELLS PROFITS FROM POULTRY FLOCK

Round Coops Are to Be Preferred to A-Shaped Ones.

...The use of convenient home-made devices for poultry housing can significantly increase profits. Round coops are preferred to A-shaped ones because they are easier to build and maintain, and they provide a better environment for the birds.

## A LETTER FOR WOMEN

### From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, I can't tell you how much I owe to your book. It was a real blessing to me. I was so weak that I was not able to do my housework at all. I had a hard time in my life, and it would have been a real blessing to me if I had not found your book. I was so weak that I was not able to do my housework at all. I had a hard time in my life, and it would have been a real blessing to me if I had not found your book.
