

NERVOUS PROSTRATION

Mrs. J. Christman Proved That Lydia E. Pinkham's Vegetable Compound is a Remedy for This Trouble.

Philadelphia, N. Y.—"I was in a very nervous condition for over a year. My mind was gloomy, could see no light on anything, could not work and could not have anyone to see me. Doctor's medicine did not help me. I had a ham's Compound was recommended. I took it and a new well. I recommend with nervous prostration."—Mrs. J. CHRISTMAN, 133 Oak Street, Binghamton, New York.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from nervous prostration, constipation, indigestion, irregularities, periodic pains, backache, bearing-down feeling, flatulency, depression and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ailments.

Lift off Corns!

Doesn't hurt a bit and Frezono costs only a few cents.

Wire your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Frezono" costs little as drug store; apply it to the sore, drop under the corn or callous. Instantly it stops hurting, then shortly you lift that bothersome corn or callous right off and all, without one bit of pain or soreness. Truly! No hurting—ADV.

Usually the "sprigged cold" is the one that gets well.

MURINE Night and Morn'g Eye Drops

Reddened, Itchy, Irritated, Inflamed or Granulated, use Murine often. Soothes, Refreshes, Safe for use in all cases.

FURBELOWS THAT BLOOM IN JUNE

Those charming furbebows, the party and the feminine, do of it. These flowers that women have seen to be blossomed out this year in greater profusion than ever. June usually sees them at their best for they are important in procession and are favored by the ladies and gentlemen. Besides their soft and graceful, graceful and soft, they play their charming parts in making the furbebows and ribbons, prominent as usual, with much attention, even to flowers made of ribbon for trimmings.

Three hundred pairs of these charming flowers, shown at the growing school, will serve to point the direction of fashion's wheel. These flowers are important and will be long as the latest materials are used for necks and blouses and for dresses. And where is the woman with such a sense as not to appreciate and wear a few hours of such? They make life enjoyable in the morning hours. In the best and most artistic design has been had by the tail

N negligees From the Far East

KIMONO were appropriated from Japan so long ago that we take them as a matter of course in every condition, and now women who have been adding in other dress borrowed from the Orient. Sometimes they take it as they find it, and they take it as they find it, and they take it as they find it.

Chenille Curtains

In most cities you will find one or more pairs of chenille curtains so popular some years ago. These may be transformed into pretty and new window rugs. If the curtains are faded they may be transformed into window rugs.

Fabric Hats Are Popular

Without rods either could not survive, and country folk would be without many of the present conveniences, comforts and luxuries of life, which they are now able to enjoy.

Bad Roads Impede Progress

The total estimated cost of highway improvements for which the Wyoming state highway department has let contracts, and which will be completed during the present year, amounts to \$3,000,000. This total represents \$50 for each inhabitant of the state.

Now Appear Black Gloves

Recent reports from Paris say that black gloves have replaced both white and gray there to such an extent that it is almost impossible to find the demand for them. It is well to make use of little tips like this in advance of the demand here for America wear-

PUBLIC ROADS

FUEL SAVED BY GOOD ROADS
Wear and Tear on Trucks and Amount of Gasoline Consumed Shown in Recent One Year

A test conducted in Ohio recently determined the saving in gasoline from running over good roads as compared with gas consumption over bad and medium-grade roads. The test results showed that a good road in good condition 19 over four gravel, 20 over good gravel, 21 over the same over fair gravel, 22 over a smooth black and 23 over good concrete.

The saving to the ordinary public in gasoline alone would amount to millions of dollars annually. Perhaps equal to this would be the saving in time, which is considered an important item of our life, as well as the saving in the wear and tear on the machinery of cars and trucks and also the saving in the cost of the roads, which are always and undoubtedly a safe investment.

CULVERT IS EASILY CLEANED

Much Trouble Obviated by Invention of Grate or Iron Bars, Resting in Notches.

Efficient culverts under roads and paths become clogged with sticks and frequently give trouble because they cannot be readily cleaned. The new grate or iron bars, resting in notches, will prevent this trouble.

Highways in South Dakota

State Has 6,000 Miles of Improved Roads—Only Ten Other States Exceed in Mileage.

South Dakota has 6,000 miles of such highways, and of a total of 20,723 in the United States. The state highway department has let contracts, and which will be completed during the present year, amounts to \$3,000,000.

Big Highway Appropriation

State of Wyoming Has Let Contracts for Improvements to Cost \$3,000,000 in 1920.

Moroccan Road Traffic

Traffic on the French-Moroccan highways is very large. In addition to the transport of passengers by private or public automobiles, the roads permit an important movement of merchandise by motor trucks.

Cities Could Not Survive

Without roads either could not survive, and country folk would be without many of the present conveniences, comforts and luxuries of life, which they are now able to enjoy.

Best Good Road Argument

The total estimated cost of highway improvements for which the Wyoming state highway department has let contracts, and which will be completed during the present year, amounts to \$3,000,000.

INVESTMENTS

In the present period of adjustment of the country's industrial and commercial affairs, it is well for investors to exercise the utmost caution in the selection of investments. Investors should scan these securities carefully. When there is the least doubt, caution will dictate looking a little farther for an investment where safety and peace of mind are absolutely assured.

Write for booklet, "Investment Steps," and for detail circulars describing the First Mortgage Co., Real Estate Serial Notes of \$100 and \$500 denominations we are offering and recommend as conservative, high-grade, safe investments.

The Mercantile Trust Company is a member of the Federal Reserve System, and by reason of such membership is under the supervision of the United States Government. This means that every loan we make, including "First Mortgage Real Estate Serial Loans" is subject to examination by Government Bank Examiners. These loans are also examined by the St. Louis Clearing House Bank Examiners and the official Bank Examiners of both the State of Missouri and the State of Illinois.

We particularly invite comparison between these loans and the average real estate mortgage loans, with reference to excellence of location, class of construction and actual (not estimated) income.

Delivery of notes made at our own risk. Notes we are
